She should be the happiest woman on the planet, and she is...but her nemesis from ten years ago seems intent on destroying her newfound bliss. Donny Steel will do anything to protect his family, even sacrifice his ethics and his own happiness. As much as he loves Callie, he knows he can't be the man she deserves—not until he solves the mysteries of his family's past and finds out who shot his father. Though the two erupt in flames whenever they're together, the secrets they both harbor could destroy any chance for a future together.

The Eagle's Claw Jeff Shaara, 2021-06-01 NATIONAL BESTSELLER • In a “riveting” (Booklist) tale that picks up where *To Wake the Giant* left off, Jeff Shaara transports us to the Battle of Midway in another masterpiece of military historical fiction. Spring 1942. The United States is reeling from the blow the Japanese inflicted at Pearl Harbor. But the Americans are determined to turn the tide. The key comes from Commander Joe Rochefort, a little known “code breaker” who cracks the Japanese military encryption. With Rochefort’s astonishing discovery, Admiral Chester Nimitz will know precisely what the Japanese are planning. But the battle to counter those plans must still be fought. From the American side, the shocking conflict is seen through the eyes of Rochefort and Admiral Nimitz, as well as fighter pilot Lieutenant Percy “Perk” Baker and Marine Gunnery Sergeant Doug Ackroyd. On the Japanese side, Admiral Isoroku Yamamoto is the mastermind. His key subordinates are Admiral Chuichi Nagumo, aging and infirm, and Admiral Tamon Yamaguchi, a firebrand who has no patience for Nagumo’s hesitation. Together, these two men must play out the chess game designed by Yamamoto, without any idea that the Americans are anticipating their every move on the sea and in the air. Jeff Shaara recounts in electrifying detail what happens when these two sides finally meet, in what will be known ever after as one of the most definitive and heroic examples of combat ever seen. In *The Eagle’s Claw*, he recounts, with his trademark you-are-there immediacy and signature depth of research, one single battle that changed not only the outcome of a war but the course of our entire global history. The story of Midway has been told many times, but never before like this.

She sets her own rules and stands her ground, no matter how her blood heats for her alpha mates. She's determined to take the fight to the gods, not as a weapon but a leader. *Blaze* Helen Hardt, 2022-02-22 They’re in love...and in danger. Donny Steel lives a charmed life. He’s a successful attorney, in love with the woman of his dreams, and a member of the Steel family. But while Snow Creek’s golden family seems perfect on the outside, how many skeletons lurk in the Steel closet? Each day, Donny finds more and more evidence of foul play while dredging up his own past—something better left forgotten. Callie Pike never imagined Donny Steel could fall in love with her, and she desperately wants to revel in their blazing passion. If only her own past hadn’t returned to torment her. Why now? What does it all mean? Is it somehow related to the attempt on Talon Steel’s life? Or the fire that destroyed her family’s livelihood? As scattered pieces of evidence crop up in unlikely places, Donny and Callie work to find the common thread to pull everything together. But someone clearly wants to destroy them, and laws, ethics, and locked doors don’t seem to be standing in the way.

**A Court of Blood and Void** Meg Xuemei X, 2018-08-04 They call me beautiful. They call me a monster. Soon, they'll call me death. As a direct descendant of the God of Death, Cassandra Saélihn is considered the most dangerous monster of all time. Her own mother locks her in a cage to protect the world from her lethal potential. Cass thought this imprisoned life would be her fate, but then four sexy, formidable warriors—a vampire lord, twin fae princes, and a demigod—find her. They claim she's not a monster, but a powerful weapon, one who can kill the Olympian gods, who have returned to Earth with a vengeance. But Cass has a mind of her own and can't be told what to do, no matter how drawn she is to her four warrior saviors. To their dismay, the four warriors can't tame the wild, cunning, and volatile Cass. But they have a bigger problem—their growing attraction toward her. To turn the woman they desire into the ultimate weapon and ensure Earth's survival, they'll have to conquer her body and heart, which seems even more impossible than winning the war against the atrocious gods. But nothing turns these alpha males on more than an impossible dare. And nothing turns Cass on more than being stalked. Warning: This is a full-length reverse harem fantasy/paranormal romance that features one hell of strong woman and her four powerful supernatural mates. It contains brutal battles, explicit love scenes, raw language, magic, swordfights, Greek gods, dark fae, vampires, shifters, and a lot of assholes.
