Because the modern Hobby Horses inspire young and old alike with their detailed shape, the mane blowing in the wind and the realistic shadings. In this book you will find a sewing pattern for sewing a Hobby Horse, but there are also many ideas and instructions for creating accessories, starting with halters and bridles, blankets, riding whips and tournament bows to sporty clothing for hobby horsing.

Holy Spirit Downloads ...and Other Cool Stuff Katherine A. M. Thomas, 2020-03-06 These pages contain a selection of what I refer to as Holy Spirit bombs. That is, they were penetrating downloads from the Lord, which He dropped in my spirit (2009 - 2019) and had the effect of drawing me ever closer into His Kingdom-perspective of life. But one can't

really use the word bomb in the title of a book without raising some eyebrows. Not that I'm against raising eyebrows, mind you. It's just that when I do, I hope it won't be simply because of a book title. So I've substituted downloads for bombs. Don't tell anyone. Other cool stuff is a smorgasbord of inspirational, random, and winsome thoughts. Together, I hope these inspire you to hear Holy Spirit giving you your own downloads (Jeremiah 33:3; 1 Corinthians 2:9-12), and to have a really great day.

The Heather Blazing Colm Toibin,2012-10-30 Colm Tóibín's second "lovely, understated" novel that "proceeds with stately grace" (The Washington Post Book World) about an uncompromising judge whose principles, when brought home to his own family, are tragic. Eamon Redmond is a judge in Ireland's high court, a completely legal creature who is just beginning to discover how painfully unconnected he is from other human beings. With effortless fluency, Colm Tóibín reconstructs the history of Eamon's relationships—with his father, his first "girl," his wife, and the children who barely know him—and he writes about Eamon's affection for the Irish coast with such painterly skill that the land itself becomes a character. The result is a novel of stunning power, "seductive and absorbing" (USA Today).

Fiery Temporalities in Theatre and Performance Maurya Wickstrom, 2018-06-14 *Fiery Temporalities in Theatre and Performance: The Initiation of History* takes up the urgent need to think about temporality and its relationship to history in new ways, focusing on theatre and performance as mediums through which politically innovative temporalities, divorced from historical processionism and the future, are inaugurated. Wickstrom is guided by three temporal concepts: the new present, the penultimate, and kairos, as developed by Alain Badiou, Giorgio Agamben, and Antonio Negri respectively. She works across a field of

performance that includes play texts by Aimé Césaire and C.L.R. James, and performances from Ni'Ja Whitson to Cassils, the Gob Squad to William Kentridge and African colonial revolts, Hofesh Schechter to Forced Entertainment to Andrew Schneider and Omar Rajeh. Along the way she also engages with Walter Benjamin, black international and radical thought and performance, Bruno Latour, Stefano Harney and Fred Moten's logistics and the hold, and accelerationism. Representing a significant contribution to the growing interest in temporality in Theatre and Performance Studies, the book offers alternatives to what have been prevailing temporal preoccupations in those fields. Countering investments in phenomenology, finitude, ghosting, repetition, and return, Wickstrom argues that theatre and performance can create a fiery sense of how to change time and thereby nominate a new possibility for what it means to live.
