Daniel O'Malley

The Three Nights' Blitz J. R. Alban, 1994

The Rook Daniel O'Malley, 2012-01-11 Myfanwy Thomas awakens in a London park surrounded by dead bodies. With her memory gone, she must trust the instructions left by her former in order to survive. She quickly learns that she is a Rook, a high-level operative in a secret agency that protects the world from supernatural threats. But there is a mole inside the organization, and this person wants her dead. Battling to save herself, Myfanwy will encounter a person with four bodies, a woman who can enter her dreams, children transformed into deadly fighters, and terrifyingly vast conspiracy. Suspenseful and hilarious, *The Rook* is an outrageously imaginative thriller for readers who like their espionage with a dollop of purple slime. Utterly convincing and engrossing -- totally thought-through and frequently hilarious....Even this aging, jaded, attention-deficit-disordered critic was blown away. -Lev Grossman, Time

The Tricycle Richard Norton-Taylor, Nicolas Kent, Victoria Brittain, Gillian Slovo, 2014-09-30

From 1994-2012 Kilburn's Tricycle Theatre produced an extraordinary body of work that sought to engage, inform, and critique British and International Politics using verbatim testimony to respond to contemporary issues. Collected here for the first time are the complete 'Tribunal Plays'. 2014 marks the 20th anniversary of the Tricycle's first Tribunal Play - Half the Picture. This collection celebrates a remarkable and enduring body of work. Contains the plays Half the Picture, Nuremberg, Srebrenica, The Colour of Justice, Justifying War, Guantanamo, Bloody Sunday, Called to Account, Tactical Questioning and The Riots. Also included is a brand-new round table discussion with Nicolas Kent, Richard Norton-Taylor, Gillian Slovo and the playwright David Edgar, charting the history and development of each show and the contribution the Tribunal Plays have made to political theatre in the last two decades, and a foreword by Guardian journalist and chief theatre critic Michael Billington.

Racism and Racial Identity Lisa V. Blitz, 2006-11-09 First published in 2006. This powerful book examines the emotional and psychological impact of racism, culture and identity within the context of racism, and racial identity in treatment. The book's contributors address the invisible aspects of racism (stress, abuse, and trauma), social functioning, domestic violence, and foster care, with a special focus on women and West Indian, Afro-Caribbean, and Mexican clients. Each chapter of *Racism and Racial Identity* examines a different facet of the impact of race and racism on psychotherapeutic work, emotional healing, and service delivery. The book's contributors draw from years of experience to provide a sociopolitical analysis of racism that places the social construct of race in a historical context.

We Remember the Blitz Frank Shaw, Joan Shaw, 2012-10-11 'I went to the public baths and after I undressed I could hear someone whistling. I looked round to see if I could see anybody about, but I couldn't, so I got into the bath and lay back to relax. As soon as I did, of course, I looked up and saw a man putting in the glass windows that had been blown out the night before.' Joan Adams, Lichfield On the night of 7 September 1940, bombs rained down on the defenceless and unprepared population of London for nine long hours. In November, raids spread to the rest of the country - starting in Coventry and taking in everywhere from Portsmouth, Cardiff, Belfast and Hull. During the nine months of the Blitz, thousands of people were killed and injured, and thousands of buildings and homes destroyed. But, with stoicism and humour, life went on. *We Remember the Blitz* is packed with vivid recollections from this important time in British history. Waking up in a damp shelter to the sound of bombing. Coming out of a cinema to discover that fires made night as bright as day. And, worst of all, the shock of seeing individuals and whole families killed in an instant. We hear from many who were there to pick up the pieces: ARP wardens, firemen - even the bakers, who would return to work under tarpaulin to ensure their neighbours had their daily loaf. Filled with moving but often funny memories, *We Remember the Blitz* is a celebration of the British spirit, and clearly shows that the battle for Britain was won by 'the many'.

Notes to my Daughter Alexander Pierce, 2010-12-26 When Christine Cuss (née Pierce), was

born in 1934, her doting father began a journal addressed to her. At first he recorded everyday details such as first teeth and family holidays, but as the 1930s progressed his words took on a more sinister tone, as Europe and the world prepared for war. As well as being a rare historical document, *Notes to my Daughter* shows another side to the Second World War. It was written by a man who was torn between his duty to his country and his duty to his family. In a poignant and heart-warming turn of events, at every crossroads Alexander Pierce chose his family, not least his only daughter, Christine. This little family is an example of the spirit and determination of the British people through difficult times. Old or young, the sentiments expressed in these love letters to a cherished child will not fail to touch and move all who read them, and open a window into the extraordinary life of an ordinary family.

The Blitz Constantine FitzGibbon, 1974

How to Draw Bruce Blitz, 1991

The Strategic Defence and Security Review and the National Security Strategy Great Britain: Parliament: House of Commons: Defence Committee, 2011-08-03 This report notes mounting concern that UK Armed Forces may be falling below the minimum utility required to deliver the commitments that they are currently being tasked to carry out let alone the tasks they are likely to face between 2015 to 2020 when it is acknowledged that there will be capability gaps. The Committee is concerned that UK Armed Forces will be continually operating at the maximum level envisaged by the Defence Planning Assumptions. The Committee is not convinced that this aspiration can be achieved by co-operation with our allies given the challenges of aligning political with operational needs. The SDSR identified seven military tasks and the Defence Planning Assumptions that underpin them. However the Review fails to show how decisions such as those on the Aircraft Carriers and Nimrod MRA4 will lead to the Armed Forces being able to undertake those military tasks. The Committee has serious concerns over the realisation of what is called Future Force 2020, the Government's intended shape of the Armed Forces from 2020, particularly as the provision of the necessary resources is only a Government aspiration, not Government policy. The MoD must reform, and ensure substantially improved transparency and control over, its finance and budgetary practices. When committing to undertake new operations the Government should state from the outset where that operation fits in the Defence Planning Assumptions and which of the military tasks it is meeting. The Committee is concerned that the Government seems to have postponed the sensible aspiration of bringing commitments and resources into line, in that it has taken on the new commitment of Libya while reducing the resources available to MoD.

The Blitz Stewart Ross, 2007 This series uses primary source evidence such as diaries, posters, newspaper cuttings and oral accounts to portray life on the Home Front. This title discusses the intense bombing of Great Britain by Germany in World War II - called the Blitz (Blitzkrieg).

Stiletto Daniel O'Malley, 2016-06-14 In this spirited sequel to the acclaimed *The Rook*, Myfanwy Thomas returns to clinch an alliance between deadly rivals and avert epic -- and slimy -- supernatural war. When secret organizations are forced to merge after years of enmity and bloodshed, only one person has the fearsome powers---and the bureaucratic finesse---to get the job done. Facing her greatest challenge yet, Rook Myfanwy Thomas must broker a deal between two bitter adversaries: The Checquy---the centuries-old covert British organization that protects society from supernatural threats, and... The Grafters---a centuries-old supernatural threat. But as bizarre attacks sweep London, threatening to sabotage negotiations, old hatreds flare. Surrounded by spies, only the Rook and two women who absolutely hate each other, can seek out the culprits before they trigger a devastating otherworldly war. *Stiletto* is a novel of preternatural diplomacy, paranoia, and snide remarks, from an author who adroitly straddles the thin line between fantasy, thriller, and spoof (Booklist).

The First Day of the Blitz Peter Stansky, Professor Peter Stansky, 2007-01-01 On September 7, 1940, the Blitz began. The bombing of London, by over one thousand planes on that night alone, was recognised at the time as being a direct measure to break the country's resistance. This book tells of the impact that this terror from the skies had on British people and the course of war.
