This Is Not a T-Shirt Bobby Hundreds,2019-06-25 The story of The Hundreds and the precepts that made it an iconic streetwear brand by Bobby Hundreds himself Streetwear occupies that rarefied space where genuine cool coexists with big business; where a star designer might work concurrently with Nike, a tattoo artist, Louis Vuitton, and a skateboard company. It's the ubiquitous style of dress comprising hoodies, sneakers, and T-shirts. In the beginning, a few brands defined this style; fewer still survived as streetwear went mainstream. They are the OGs, the "heritage brands." The Hundreds is one of those persevering companies, and Bobby Hundreds is at the center of it all. The creative force behind the brand, Bobby Kim, a.k.a. Bobby Hundreds, has emerged as a prominent face and voice in streetwear. In telling the story of his formative years, he reminds us that The Hundreds was started by outsiders; and this is truly the story of streetwear culture. In *This Is Not a T-Shirt*, Bobby Hundreds cements his spot as a champion of an industry he helped create and tells the story of The Hundreds—with anecdotes ranging from his Southern California, punk-DIY-tinged youth to the brand's explosive success. Both an inspiring memoir and an expert assessment of the history and future of streetwear, this is the tale of Bobby's commitment to his creative vision and to building a real community.

Dark Apprentice Val Neil,2021-05-20 A psychopathic wizard. An immortal mage. An epic battle of wills. Nikolai doesn't want much out of life: sex, immortality, and the power to disembowel anyone who crosses him. But with dark magic forbidden, his only option is Medea—a mage so deadly even the Enforcers give her a wide berth. Despite dire warnings that her apprentices don't survive, Nikolai won't stop until she agrees to train him. After all, he's a killer himself. Barbaric and brutal, the training is a far cry from what Nikolai expects. When a mysterious illness strikes Nikolai down, he suspects he's found the secret to Medea's longevity. He resolves to find out what happened to her previous apprentices. If he can locate the source of her power, he can turn it against her. Medea swore off training dark wizards—none of them take the craft seriously and the ungrateful bastards always try to kill her. This one definitely seems the backstabbing type, but magic is dying out and she hasn't felt such magical strength in centuries. If she can control the boy, show him that magic is more than curses and necromancy, he might obtain the power he desires. If not, well... What's one more dead apprentice? If you enjoy dark fantasy with quirky, morally grey characters and humorous banter (but no romance), this is the book for you! Contains: - swearing, violence, some gore - some sex (not graphic) - no romance - manipulative protagonist that could be triggering to some - two neurodiverse leads (psychopathic and autistic)
