**Blood Oath** Raye Wagner, Kelly St. Clare, 2018-07-09 Everything I know is a lie. I'm an ordinary mortal girl. Lord Irrik is a depraved dragon shifter. King Irdelron is an immortal tyrant. In the disease ridden land of Verald, life is mapped out much like the established rings of our kingdom. Everyone has a role... Me? I'll be uselessly serving potato stew for the rest of my life because I can't make anything grow. But starvation brews rebellion. When the king strikes, I'm captured by Lord Irrik. Instantly, I'm embroiled in a deadly game. One where I'm desperate to understand the rules. Because nothing makes sense anymore. Now, I'm not only fighting for my life . . . but a love that could be the key to my freedom. What if the truth means you're not who -- or what -- you thought you were?

**Blood Oath** William W. Johnstone, 2016-03-15 Discover the secret they swore not to tell—from the “bestselling old-school horror author” of the “twisted, bizarre, and sometimes terrifying” (The Lineup). In 1973, thirteen kids with an appetite for something different went out to play. First came the ritual and the dare . . . then the screaming and the blood. Before the night was over, only eleven children survived to share a terrible secret. Twenty-six years later, the small town of Denton, Missouri, has been rocked by three brutal murders—each victim bound by a childhood friendship stained with blood. Far from the shadow of suspicion, far from the memories of an unforgivable crime, the past has returned with a vengeance. And this time, the fun and games are just beginning.

And Cade is the world's only hope against a horrifying new terrorist threat advancing from the Middle East. The fight is deadlier than ever, and time is running out . . .

**Blood Oath** Linda A. Fairstein, 2019 New York Times bestselling author Linda Fairstein explores the depths of Manhattan's secretive Rockefeller University in this timely, captivating thriller about the deep--and often deadly--reverberations of past sins. Assistant DA Alexandra Cooper of the Manhattan Sex Crimes Unit is finally back at work following a leave of absence, and not a moment too soon. With more women feeling empowered to name their abusers, Alex is eager to return to the courtroom to do what she does best. But even she can't anticipate the complexity of her first case when she meets Lucy, a young woman who testified years earlier at a landmark federal trial . . . and now reveals that she was sexually assaulted by a prominent official during that time. Yet Lucy's isn't the only secret Alex must uncover, with rumors swirling about one colleague's abusive conduct behind closed doors and another's violent, mysterious collapse. As the seemingly disparate cases of her client, adversary, and friend start to intertwine, Alex, along with NYPD detectives Mike Chapman and Mercer Wallace, finds

herself in uncharted territory within Manhattan's Rockefeller University, a premier research institute, hospital, and cornerstone of higher learning. But not even the greatest minds in the city can help her when unearthed secrets begin to collide in dangerous ways . . . and unless she can uncover the truth, the life-saving facility just may become her grave.

**Blood Oath** Christopher Farnsworth,2010-05-18 Zach Barrows is a cocky, ambitious White House employee until he's abruptly transferred out and partnered with Nathaniel Cade, a secret agent sworn to protect the president. On the orders of the president he defends the nation against enemies far stranger-and even more dangerous-than civilians like Zach could ever imagine.

Blood Oath Rafael Gonzalez, 2021-06-18 According to the Urban Dictionary a Blood Oath; is an agreement or contract that must be ordered and completed no matter what. In ancient times when people cut themselves or cut something like an animal, they would sprinkle the blood on the altar as part of religious action. They would swear to uphold and perform the task, no matter what. Today a blood oath generally means that a person has sworn to do something, the individual must carry out their promise. The blood oath is usually being done by mobsters and crooks. In the story that I wrote the blood oath is made by the hero who tried to save the people that he loved, but failed and feels that the only way they can rest in peace is by making a blood oath so that in the next life they can rest easy.
