77 Trik Rahasia Backup Data ,

Hal Ashby and the Making of Harold and Maude

James A. Davidson, 2016-02-11 The original script was sold to a major Hollywood studio virtually

overnight; the screenwriter was working as a pool boy and driver for the producer; the director was considered an acid freak by the studio heads; the star was a 74-year-old actress who didn't know how to drive a car. The film flopped upon release but later became one of the great cult successes of all time. This is the fascinating, never before told story of the making of *Harold and Maude*, shot guerrilla-style in the San Francisco Bay Area by a crew of New Hollywood filmmakers in the winter of 1971.

Studies in Medievalism XXXIII Karl

Fugelso, 2024-04-16 Essays on the post-modern reception and interpretation of the Middle Ages. Though *Studies in Medievalism* has hosted many essays on gender, this is the first volume devoted specifically to that theme. The first part features four short essays that directly address manifestations of sexism in postmedieval responses to the Middle Ages: gender substitutions in a *Grail Quest* episode of the 2023 television series *Mrs. Davis*, repurposed misogyny in the last two episodes of *Game of Thrones* (2011-19), traditional gender stereotypes in Capital One's credit card commercials from 2000 to 2013, and shaggy medievalism in Robert Eggers' 2022 film *The Northman*. The second part contains ten longer essays, which collectively continue to demonstrate the ubiquity of gender issues and the extraordinary flexibility of approaches to them. The authors discuss the misogynistic sexualization of Grendel's mother in Parke Godwin's 1995 fantasy novel *The Tower of Beowulf*, in Graham Baker's 1999 film *Beowulf*, in three episodes from the

television series *Xena: Warrior Princess*, and in Robert Zemeckis's 2007 film *Beowulf*; gender substitution in David Lowery's 2021 film *The Green Knight* and in Kinoku Nasu's and Takashi Takeuchi's anime series *Fate* (2004-); female authorship of three early-nineteenth-century plays about court ladies' medieval empowerment; extraordinary violence in medievalist video games; nationalism in fake nineteenth-century medievalist documents and in contemporary online fora; racial discrimination in video gaming and in Jim Crow literature; and the condemnation of racism in Maria Dahvana Headley's 2018 novel *The Mere Wife*.

Beyond Terror Stephen Thrower, 2018-01-10 Italy's Master of the Macabre Lucio Fulci is celebrated in this lavishly illustrated in-depth study of his extraordinary films. From horror masterpieces like *The Beyond* and *Zombie Flesh-Eaters* to erotic thrillers like *One On Top of the Other* and *A Lizard in a Woman's Skin*; from his earliest days as director of manic Italian comedies to his notoriety as purveyor of extreme violence in the terrifying slasher epic *The New York Ripper*, his whole career is explored. Supernatural themes and weird logic collide with flesh-ripping gore to breathtaking effect. Bleak horrors are transformed into bloody poetry - Fulci's loving camera technique, and the decayed splendour of his art design, make the films more than just a gross endurance test. Lucio Fulci built up a fanatical following, who at last will have another chance to own this epic book - five years in the making - which is the ultimate testament to 'The Godfather of Gore'. Since its first publication in 1999,

Beyond Terror has sold out three print runs, and continues to be one of the most frequently requested FAB Press reprints. Without doubt, by far and away the largest collection of Fulci posters, stills, press-books and lobby cards ever seen together in print. We have scoured the Earth to find the most stunning, rare and eye-catching Fulci images. Out of print for ten years, it's back again in 2018, bigger and better than ever! Featuring a foreword by Fulci's devoted daughter Antonella, and produced with her blessing and full co-operation, this book is quite simply the last word on Fulci. His whole cinematic career is studied in obsessive depth. Huge supplementary appendices make this volume essential for all serious students of the Italian horror movie scene.
