J. K. Rowling

Fantastic Beasts: the Crimes of Grindelwald – the Original Screenplay J.k. Rowling, 2019-11-14 The Wizarding World journey continues . . . The powerful Dark wizard Gellert Grindelwald was captured in New York with the help of Newt Scamander. But, making good on his threat, Grindelwald escapes custody and sets about gathering followers, most of whom are unsuspecting of his true agenda: to raise pure-blood wizards up to rule over all non-magical beings. In an effort to thwart Grindelwald's plans, Albus Dumbledore enlists Newt, his former Hogwarts student, who agrees to help once again, unaware of the dangers that lie ahead. Lines are drawn as love and loyalty are tested, even among the truest friends and family, in an increasingly divided wizarding world. **Fantastic Beasts: The Crimes of Grindelwald** is the second screenplay in a five-film series to be written by J.K. Rowling, author of the internationally bestselling Harry Potter books. Set in 1927, a few months after the events of **Fantastic Beasts and Where To Find Them**, and moving from New York to London, Paris and even back to Hogwarts, this story of mystery and magic reveals an extraordinary new chapter in the wizarding world.

Illustrated with stunning line art from MinaLima with some surprising nods to the Harry Potter stories that will delight fans of both the books and films.

It Stephen King,2017-09-05 Includes a selection from *Sleeping beauties* by Stephen and Owen King after page 1157 (to be published in Sept. 2017).

Harry Potter and the Order of the Phoenix J. K. Rowling,2013-01-01 Harry is furious that he has been abandoned at the Dursleys' house for the summer, for he suspects that Voldemort is gathering an army, that he himself could be attacked, and that his so-called friends are keeping him in the dark. Finally rescued by wizard bodyguards, he discovers that Dumbledore is regrouping the Order of the Phoenix - a secret society first formed years ago to fight Voldemort. But the Ministry of Magic is against the Order, lies are being spread by the wizards' tabloid, the Daily Prophet, and Harry fears that he may have to take on this epic battle against evil alone.

Harry Potter: The Character Vault Jody Revenson,2015-10-27 A comprehensive, full-color compendium of the key characters in all eight of the Harry Potter films, filled with never-before-seen

photographs and illustrations, covering the costumes, makeup, weaponry, and behind-the-scenes story that brought each personality memorably to life on the big screen. *Harry Potter: The Character Vault* offers fans a deeper look at the creative development of the characters introduced in the books and brought to life in the theatrical series. Jody Revenson brings you closer to Harry, Ron, Hermione, and the students and faculty at Hogwarts, the bureaucrats at the Ministry of Magic, the Triwizard Tournament competitors, the wizarding world families, and the dark forces against them. Each profile in the book includes design sketches and unit photography showcasing the costumes of each character, along with an image of his or her wand, and other iconic props specific to the characters—brooms, Harry's invisibility cloak, Mad-Eye Moody's eye and prosthetic leg, and more. Discover how Quidditch gear and Hogwarts' robes subtly changed as the characters grew up, discover the fashion and artistry behind the Weasley style, the Yule Ball dresses and robes, Slug Club party wear, and Death Eater masks and costumes. Interweaving interviews with the special effects experts, costume designers, makeup artists and the cast, Jody Revenson shows fans how the magic happens,

revealing the unique filming techniques used to change particular characters' sizes, such as a giant Hagrid and Madame Maxime, as well as special makeup processes that created the look of Harry's Stinging Hex and Peter Pettigrew's rat-like visage. Featured throughout are intriguing profiles of the special makeup effects artists who share the most memorable effects they've used to transform ordinary actors into their extraordinary fictional counterparts. Harry Potter: The Character Vault is your exclusive all-access pass into the creative process of the largest film franchise of all time, and comes complete with two exclusive removable features.
