First Romanian Reader for Beginners Drakula Arefu,2016-05-12 The book consists of Elementary and Pre-intermediate courses with parallel Romanian-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The method utilizes the natural human ability to remember words used in texts repeatedly and systematically. The author composed each chapter using only words explained in the previous ones. With the translation on the same page, you can effortlessly learn what any unfamiliar words mean. You can quickly pick up new vocabulary and phrases that are used over and over in the book. As you read the book, your brain begins to remember words and phrases simply because you are exposed to them several times. You don't even realize, until you have to recall what you've learned, that you have already learned the new words and phrases. The audio tracks are available inclusive online. With the help of QR codes, call up an audio file without manually entering web addresses. This book has already helped a lot people to discover their true language potential. Twenty minutes a day is the rule for success!
