**The Bible of Steel** Lucifer White,2019-12-13 A Bible made up of four books. The first being my last words on Christian Satanism (the advantageous religion of duality.) The second being based on Christian philanthropy. The third being focused on new video game ideas, free to use for anyone wanting to make a game. And the last book is all about the future of science and technology, what things may become of it and a good source book of ideas. This Bible was made for human progression. For scientific ideas, for philanthropy, wisdom, and programming. I offer it here for free and in public domain.

**The Full Bible of Steel** Lucifer Jeremy White,2020-02-23 Christian Satanism, Christian philanthropy, a book of video game ideas, and a book that details possible uses of future science and technology are all contained within this book.

Rough Writers David Tovlliver,Lynn Tolliver, Jr.,Orrin Tolliver,2005 A collection of ideas from David Payton and his two sons, Orrin Lynn Tolliver III, and David C. Tolliver. A father and sons' collaboration of poetry, spoken word and other concepts for future books and movies. There are a few words of vulgarity within. For the discriminate reader. Young minds exhaling their inner thoughts, and a very proud father. This is a rough so it is not error free. The works are raw, and a compilation of material from over the past two or three years.

**All Things Spiritual** Phillip Eldridge Williams,2022-01-12 This short quip referred to in conversation and seen often in descriptive writing as well as various and sundry speeches is in reality on shaky ground when taken apart. The truth has been the object of the search of man since he became serious with his ontology from earliest recorded history and finds its way in most academic institutions with each Latin phrase in its logo. Matter has always been taken for granted but until recently (1939) with the declaration of the Physicists community in Copenhagen, Denmark has acknowledged that indeed there is no final field theory for locating reality. In this book I will attempt to speak to this lack of reality by delving into the state of being, or lack thereof, I will refer to as spirituality and the Native American priority given to the Great Spirit and the answer they give to one's ontology (why one is here) known as their vision quest. We will investigate spirituality as that encounter we all must deal with in our religious medium for finding some sense of meaning and its answer to our need for respect. I'll look at the Judeo/Christian offering of the image of God and the spooky-goings-on-at-a-distance stipulated by Albert Einstein as well as the implications of Galileo's insightful declaration in the 17th century that all meaning begins with experience (spirituality) and ends with experience, that spirituality is all that there is and to offer proposals based upon purely logic alone is meaningless as regards reality. Spirituality in the best sense of the word is your taking serious your honor as well as that of others. This could be seen as the First and Greatest Commandment and the Second like unto it Thy neighbor as thyself. This work is the culmination of 15 years of writing and a lifetime of seeking first the kingdom of God and his righteousness having all these things being added unto me. (Matthew 6:33) Now to have all these things added unto you is to be quickened with eyes to see and ears to hear things/matter as they are and not from the might-makes-right syndrome or the what's-in-it-for-me modus operandi. This quickening power is the mighty-hand-of-God as opposed to the hand-of-God revealing the nature of truth, God's righteousness as being no respecter of persons, time, place or thing and doing so unconditionally. This is indeed the Final Field or the Truth of the Matter.

Born into Greyworld Kathleen Medina,2008-04-21 Twelve-year-old Kate wakes every morning to the bitter reality of Greyworld a barren, industrial land locked in perpetual twilight since the cataclysmic event known as the Shift. Protocol monitors all aspect of citizens lives. Imagination and individuality are suppressed. Children are disciplined and controlled through the use of behavior-moderating substances. Kate tries to bury herself in the underground world of books and movies that her mysterious friend and mentor, Mrs. Hatpin, left to her before her sudden disappearance. Kate escapes into her dreams and travels to other realms of beauty and nature and magical possibilities. But as the horrifying specter of Shadowman begins to infiltrate her dreams, she realizes nowhere is safe. Then Kate sees him outside her school. Is he real? How could he be both in her dreams and in her everyday life? Could he be behind the epidemic of missing students? The dimensions of reality and imagination begin to overlap as clues to an existence beyond Greyworld emerge. Can Kate access this other world before it is too late and Protocol gains control of her mind? Can dreams be just as real as waking life?

**Bucking the Tiger** Bruce Olds,2002-08-03 In this genre-blurring collage, Bruce Olds animates Doc Holliday's varied incarnations--frontier dentist, saloon gambler, and occasional shootist--and redeems a full-blooded human being from the distortions of romance and myth.

**Poetry from Hell's Asylum** Tom Gade Olausson,2017-04-08

**Dangerous Games** Joseph Laycock,2015-02-12 The 1980s saw the peak of a moral panic over fantasy role-playing games such as Dungeons and Dragons. A coalition of moral entrepreneurs that included representatives from the Christian Right, the field of psychology, and law enforcement claimed that these games were not only psychologically dangerous but an occult religion masquerading as a game. Dangerous Games explores both the history and the sociological significance of this panic. Fantasy role-playing games do share several functions in common with religion. However, religionÑas a socially constructed world of shared meaningÑcan also be compared to a fantasy role-playing game. In fact, the claims of the moral entrepreneurs, in which they presented themselves as heroes battling a dark conspiracy, often resembled the very games of imagination they condemned as evil. By attacking the imagination, they preserved the taken-for-granted status of their own socially constructed reality. Interpreted in this way, the panic over fantasy-role playing games yields new insights about how humans play and together construct and maintain meaningful worlds. LaycockÕs clear and accessible writing ensures that Dangerous Games will be required reading for those with an interest in religion, popular culture, and social behavior, both in the classroom and beyond.

**The World Is Born From Zero** Cameron Kunzelman,2022-07-18 The World is Born From Zero is an investigation into the relationship between video games and science fiction through the philosophy of speculation. Cameron Kunzelman argues that the video game medium is centered on the evaluation and production of possible futures by following video game studies, media philosophy, and science fiction studies to their furthest reaches. Claiming that the best way to understand games is through rigorous formal analysis of their aesthetic strategies and the cultural context those strategies emerge from, Kunzelman investigates a diverse array of games like The Last of Us, VA-11 Hall-A, and Civilization VI in order to explore what science fiction video games can tell us about their genres, their ways of speculating, and how the medium of the video game does (or does not) direct us down experiential pathways that are both oppressive and liberatory. Taking a multidisciplinary look at these games, The World is Born From Zero offers a unique theorization of science fiction games that provides both science fiction

studies and video game studies with new tools for thinking how this medium and mode inform each other.

*Leaping Forward* J. M. Pardy, 2013-03 For author J. M. Pardy, a catastrophic turn of events challenged her more than she ever thought possible. With everything lost and her world fundamentally fractured, she had some profound decisions to make. An honest and compelling tale emerged from the ashes of her life, and now she shares the details of her internal conflict—a war with her sense of self, sense of purpose, and sense of hope. This journey compelled her to accept the chance to move beyond the physicality of life, through an intimate doorway that allowed her to see the bigger picture. Such is the power of love. Through numerous out-of-body experiences she explains the unexplainable—the reasons why life hands us so many curve balls. *Leaping Forward*—Tells the story, the documentary of many lives, the emotions we all experience. In vivid detail, she presents a tour of her dream journeys. Taking the reader on a passage full of wonder, excitement, and joy. *Conquering our fears and overcoming life's sorrows, is what we are here for.* Says, Pardy. Through it all, she reminds us to always look for truth. The choices we make, when viewed through a new perspective, can teach us a great deal about ourselves. Life can—and should—be an unforgettable journey.

Jeff does a masterful job depicting the framework of his life, culture and the many transitions experienced in his walk of faith. **Born Again** James Krieger D.D.,2017-02-16 Jesus said not to be arrogant toward me, dont mock me, why do you hate me in your counsel (church)? I have been hated everywhere and loved everywhere. I am called life, but you call me death. I am the one that you despised, and yet you have professed me. Why do you curse me and honor me?? I am all-spiritual knowledge, truth, wisdom, eternal life (John 14:6), and all-understanding of all things. Only those that seek me (in John 4:24) in spirit and in truth and with an open mind, loving spirit, and a hungry soul for truth and only a heart of love will find me (Jesus). And I will give him or her all that he asks for. Hear and listen to my Fathers words (John 14:6, 17:17, and Eph. 5:26) that will give you eternal life. I have said to my disciples that after I, Jesus, and you are gone, Yaldabaoth (John 5:43, 8:44), called the father of error, will come as the angel/spirit/anunnaki of false light (2 Cor. 11:1315) and will teach so-called men of god words of a dead man (2 Tim 3:57). By doing verse 13 and doing verses 4:24, which is 1 Tim. 4:12, these are the men that Jesus warned us about in Matt. 7:1523. People will accept these teachings all because they think (Prov. 3:57) that they are pure and holy because they go to a building that the god with no name (the Fullness = Jesus) will never go into (Acts 7:48 and 17:2425). Singing a song or two, giving a buck or two, and saying that Jesus is my lord (Yaldabaoth and Savior = Jesus; Matt. 6:24), believing that they are safe from the fabled hell (2 Tim. 4:24). Everything in this book is and was taught as truth, which was authority (33 AD to 400 AD). After the Bible (400 AD) till now, all authority became truth. This book is for all those that are looking for eternal life in the Fathers kingdom (John 3:35). This book is for all humanity, no matter what religion you are, the temple or church you go to, or the denomination that you belong to.
