Dead Fall Brad Thor,2023-07-25 Lethal operative Scot Harvath is dispatched to avenge the killing of American citizens abroad in #1 New York Times and #1 Wall Street Journal bestselling author Brad Thor’s new pulse-pounding thriller. In the war-ravaged borderlands of Ukraine, a Russian mercenary unit has gone rogue. Its members, conscripted from the worst prisons and mental asylums across Russia, are the most criminally violent, psychologically dangerous combatants to ever set foot upon the modern battlefield. With all attention focused on the frontlines, they have pushed deeper into the interior to wage a campaign of unspeakable barbarity. As they move from village to village, committing horrific war crimes, they meet little resistance as all able-bodied men are off fighting the war. Simultaneously, a team of Russian soldiers has been dispatched by the Kremlin to loot truckloads of art and priceless cultural treasures hidden away in a host of churches, museums, and private homes. When multiple American aid workers are killed, America’s top spy is sent in to settle the score. But in a country so vast, will Harvath be able to find the men in question and, more importantly, will he be able to stop them before they can kill again?

A Journey Tony Blair,2011-09-20 In this remarkably gripping memoir, one of the most dynamic and controversial leaders of modern times gives us a firsthand account of his years in office and beyond. Here, for the first time, Tony Blair recounts his role in shaping our recent history, from the aftermath of Princess Diana's death to the war on terror. With rare honesty and courage, he recounts the belief in ethical intervention that led to his decision to go to war in Kosovo, Sierra Leone, Afghanistan, and, most controversial of all, Iraq. Filled with fascinating revelations about Blair's close friendship with the Clinton family, his admiration for George W. Bush, and his relationship with Barack Obama, A Journey is a must-read political memoir, providing an unprecedented glimpse into Tony Blair's experiences as Prime Minister, through his own eyes. In his expansive new introduction, Tony Blair discusses his vision of a future based on open-mindedness, yet fully couched in the complex realities of our times.
