**Sorcerer's Ring Bundle (Books 10,11,12)** Morgan Rice,2014-03-09 "A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien." --Allegra Skye, Bestselling author This bundle includes books #10, #11 and #12 (A SEA OF SHIELDS, A REIGN OF STEEL and A LAND OF FIRE) in Morgan Rice's #1 Bestselling fantasy series THE SORCERER'S RING. These three bestselling novels are all here in one convenient file and offer a great step deeper into the world of the SORCERER'S RING series. Over 200,000 words of reading, all for an incredible price! It is a great deal and makes the perfect gift! THE SORCERER'S RING series tells the epic tale of the coming of age of Thorgrin, a special 14 year old boy, the least loved of his father, as he strives to become a warrior in the magical Kingdom of the Ring, as he learns he has powers and a destiny he does not understand. An outsider, he must fight for acceptance as he strives to join the King's elite Legion, and as he falls in love with the king's 16 year old daughter. Most of all, he must learn who he really is, why his destiny is so important, and why the fate of the Ring depends on him. In Books #10, #11 and #12, the saga deepens. In A SEA OF SHIELDS (Book #10), Gwendolyn gives birth to a child, amidst powerful omens. With a son born to them, Gwendolyn and Thorgrin's lives are changed forever, as is the destiny of the Ring; Reece, despite himself, falls in love with his cousin, a love affair which will threaten the entire Ring; and Romulus, in the Empire, discovers a new form of magic which may just destroy the Shield for good. In A REIGN OF STEEL (Book #11), Gwendolyn must protect her people as she finds King's Court under siege; Romulus invades with his host of dragons; Erec and Alistair journey to the Southern Isles; and Thor

embarks on the quest of his life in the Land of the Druids, trekking across a fearsome and magical land to try to reach his mother. In A LAND OF FIRE (Book #12), Gwendolyn is determined to find her baby, lost at sea, and to save her people and lead her nation-in-exile to a new home. She travels across foreign and exotic seas, encountering unthinkable dangers, rebellion and starvation, as they sail for dream of a safe harbor. Thorgrin finally meets his mother in the Land of the Druids, and their meeting will change his life forever, as there follows an epic battle of dragons and of men. With its sophisticated world-building and characterization, THE SORCERER'S RING is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders.

*Bouncing Back* Tamara Enomoto, Kiyoshi Umeya, 2022-11-10 In 2018 South Africa's so-called mother city, Cape Town came into the global spotlight as being the first city in the world to (almost) run out of water, a crisis that only exacerbated the pressures placed upon a population staggering under socio-economic and politically-tinged environmental predicaments. Japan on the other hand has long sustained an international reputation for the massive scale of natural and anthropocentric crises its people have faced, overcome,

and succumbed to. The most recent (pre-Pandemic) occurrence of which being the 2011 tsunami and Fukushima Daiima nuclear plant accident. What comes to mind when Japan, South Africa, and the notion of resilience are mentioned in the same utterance? Well, considering how societies respond to disaster, (man-made and natural), Japan and South Africa feature high on many lists both for our triumphs and our failures to account for the most vulnerable among us in moments of catastrophe. This edited volume draws on transdisciplinary perspectives and multi-sited research to reflect on the high stakes involved when people are expected to repeatedly survive crisis. The authors take resilience as a contested yet generative lens through which to examine some of the most salient questions of our time. Culled from two seemingly disparate geopolitical locales, the insights offered here are hauntingly connected, shedding light on questions of collective and individual responses to calamity - questions that, in the wake of the Covid-19 global pandemic, are now urgently being grappled with by everyone, everywhere.

**Go Ahead in the Rain** Hanif Abdurraqib,2019-02-01 A New York Times Best Seller A February IndieNext Pick Named A Most Anticipated Book of 2019 by Buzzfeed, Nylon, The

A. V. Club, CBC Books, and The Rumpus. And a Winter's Most Anticipated Book by Vanity Fair and The Week Starred Reviews: Kirkus and Booklist Warm, immediate and intensely personal.—New York Times How does one pay homage to A Tribe Called Quest? The seminal rap group brought jazz into the genre, resurrecting timeless rhythms to create masterpieces such as *The Low End Theory* and *Midnight Marauders*. Seventeen years after their last album, they resurrected themselves with an intense, socially conscious record, *We Got It from Here . . . Thank You 4 Your Service*, which arrived when fans needed it most, in the aftermath of the 2016 election. Poet and essayist Hanif Abdurraqib digs into the group's history and draws from his own experience to reflect on how its distinctive sound resonated among fans like himself. The result is as ambitious and genre-bending as the rap group itself. Abdurraqib traces the Tribe's creative career, from their early days as part of the Afrocentric rap collective known as the Native Tongues, through their first three classic albums, to their eventual breakup and long hiatus. Their work is placed in the context of the broader rap landscape of the 1990s, one upended by sampling laws that forced a reinvention in production methods, the East Coast–West Coast rivalry that threatened to destroy the genre, and some record labels' shift from focusing on groups to individual MCs. Throughout the narrative Abdurraqib connects the music and cultural history to their street-level impact. Whether he's remembering *The Source* magazine cover announcing the Tribe's 1998 breakup or writing personal letters to the group after bandmate Phife Dawg's death, Abdurraqib seeks the deeper truths of A Tribe Called Quest; truths that—like the low end, the bass—are not simply heard in the head, but felt in the chest.

**The Bouncing Back Daily Devotional** Vivian Cynthia, 2021-03-31 Life in general is comprised of a series of ups and downs. What life has thought me over the years is that

whether one is experiencing either the upside or the downside of life, it is never permanent. Everything that we are faced with in this journey of life is just a season, and seasons have an expiry date. Nothing is permanent on this side of eternity, no matter how painful or how pleasant the season is I have learned that it passes. So, no matter what you are going through at the moment it shall come to pass in due season. But when the season pass you shall remain standing, especially if your life is anchored on a sure foundation of HOPE. As I typed this devotional day after day, the Lord impressed one thought on my mind, “You can Bounce Back” from any season. Never doubt the power of bouncing back. Resilience is in your DNA, you have been created to overcome and survive everything that life throws at you. In this Daily Devotional I pray that you find inspiration to Bounce Back from whatever life throws at you. Whether you choose to make it a morning or evening devotional I hope you are inspired. The Bounce back Daily Devotional will infuse your day or evening with a dose of inspiration.
