Head to the lanes for another hilarious, high-energy story as four-year-old Mitchell and his obliging dad strike a winning deal. Mitchell liked to knock things down. That's just how he rolled. One Saturday, when Mitchell almost knocks down his dad, his dad catches him and puts him in the car. And when they step into the bowling alley, Mitchell feels right at home. Pizza! Giant crashing noises! Special shoes! But as Mitchell picks up the biggest ball and quickly learns the word gutter, and when Dad does a little kick with his leg and earns a big X on the scoreboard, Mitchell starts to get peevish. With wit, warmth, and comedic charm, Hallie Durand and Tony Fucile roll another strike with this tale of a lovably rambunctious child and his doting dad.

**New England Candlepin Bowling** Susan Mara Bregman,2020-11-02 Candlepin bowling is hard. So hard, in fact, that no one has ever bowled a perfect game. The pins are tall and skinny, the balls are small enough to fit in a player's hand, and the fallen pins are not cleared between rolls. Originating in Worcester, Massachusetts, in the late 19th century and played today mostly in New England and eastern Canada, the game has a rich and colorful history. In the days before automation, sure-footed pin boys manually reset the pins and returned the balls. A long-running, top-rated Boston television show regularly transformed unassuming candlepinners into regional celebrities. And the game has something called a Half Worcester. Author and photographer Susan Mara Bregman bowled at dozens of candlepin centers, combed through dusty archives, and interviewed industry insiders to create this affectionate look at one of America's quirkiest pastimes.
