**Unleash the Power of Your Mind** Daniel Stewart, Daniel Stewart M D, 2016-05-26 A Fantastic Treasury of Mind Bending Puzzles, Games, and Experiments for All the Family If you are one of those people who takes great pleasure in playing games, and also happens to be extremely competitive, you know how frustrating it can be to fail at solving a game or puzzle. There are so many great benefits to brain games, besides pure enjoyment, it seems a shame to miss out of them. Take a look: \* Wakes up the brain \* Helps you to learn new skills \* Aids you in staying active \* Makes it easier to solve problems \* Expand your mind \* Explorer inner skills and abilities Without the right tools and information, it could take you longer than you want to figure out the secrets to successful brain games. Instead of spending a fortune on so-called experts or knocking yourself out with the old trial and error method, there is an easier way to learn everything you need to know about brain games. A few years ago I found myself in a similar situation. I had always had an interest in brain game and really wanted to get started with it as a hobby after I retired in order to keep my mind active. After the first week I was so confused and frustrated; however, because there was simply so much to learn! What I discovered completely changed the way I approached brain games. How did I do it? I would love to share my secrets with you and my new special book on brain games does just that! This book covers the following topics: \*Solutions in problem solving \*Understanding vocabulary brain games \*Prompting the brain with brain games \*Scientific reasoning in brain games \*The science behind brain games \*How to use both sides of the brain \*How to memorize with brain games and more...
