Build a Bridge and Get Over It! Paul Sheppard,Rob Suggs,2009-06-01 Unity. Jesus prayed that his followers would experience it. The apostles worked hard to achieve and maintain it. Christians today rarely enjoy it. God's desire is for our churches, marriages, families, and interpersonal relationships to be characterized by unity and agreement. But all too often, strife and discord prevail instead--why? Because we fail to realize that our differences--be they doctrinal debates, generational clashes, or other personal preferences--don't have to create division. Unity and unison are two entirely different things. The key to practicing biblical unity is to build a bridge and get over it! Drawing insight from key passages of Scripture as well as years of leading a dynamic and diverse congregation, this author explains in very practical ways how we can improve our relationships and deal constructively with our differences and disagreements as followers of Christ. Paul Earl Sheppard has been senior pastor of Abundant Life Christian Fellowship in Mountain View, California since 1989. Under Paul's visionary leadership, this church has become one of the largest and most racially diverse congregations in northern California. He serves as speaker for Enduring Truth, a popular daily radio program heard on stations and networks around the country. A native of Philadelphia, Paul has studied at the University of Pennsylvania, the Center for Urban Theological Studies, and the Southern California School of Ministry. He holds a Master's degree in Ministry and a Doctorate of Divinity. Paul sits on the board of directors of NRB (National Religious Broadcasters) and is a highly sought after speaker and conference leader. He was married to his wife, Meredith, in May 1982. They have two adult children, Alicia and Aaron.

Bridge of Spies Giles Whittell,2011-01-20 THE DRAMATIC EVENTS BEHIND THE FILM BRIDGE OF SPIES. 'Riveting, meticulously researched and beautifully written, Bridge of Spies unlocks one of the most fascinating espionage mysteries of the Cold War' - Ben Macintyre, author of Agent Zigzag and SAS Rogue Heroes Bridge of Spies is a gripping, entertaining, hair-raising and comical story, which moves effortlessly from the hardware of high-flying planes and new missiles to the geopolitics of the nuclear stand-off and through the poignant personal stories of its central protagonists: Powers, the all-American hero, blacklisted for not having killed himself on his descent to earth; a KGB spy who has spent aimless and lonely years achieving nothing in the US; and the opposing leaders Khrushchev and Eisenhower, both trapped in a spiral of confrontation neither wants. Telling the true story that inspired Le Carré's famous scene, Bridge of Spies is a brilliant take on the absurdity and heroism of the Cold War days that will appeal to a new generation of readers unfamiliar with the history but drawn in by the compelling and vividly recreated narrative.
