Upgrade Blake Crouch, 2022-07-12 NEW YORK TIMES BESTSELLER • “If Michael Crichton had written a superhero novel, it would look a lot like Upgrade.”—The New York Times Book Review “You don’t so much sympathize with the main character as live inside his skin.”—DIANA GABALDON, #1 New York Times bestselling author of the Outlander series “Mysterious, fascinating, and deeply moving—exploring the very nature of what it means to be human.”—ALEX MICHAELIDES, #1 New York Times bestselling author of The Silent Patient and The Maiden ONE OF THE BEST BOOKS OF THE YEAR: Time, She Reads The mind-blowing new thriller from the New York Times bestselling author of Dark Matter and Recursion—currently in development as a motion picture at Steven Spielberg's Amblin Partners “You are the next step in human evolution.” At first, Logan Ramsay isn’t sure if anything’s different. He just feels a little . . . sharper. Better able to concentrate. Better at multitasking. Reading a bit faster, memorizing better, needing less sleep. But before long, he can’t deny it: Something’s happening to his brain. To his body. He’s starting to see the world, and those around him—even those he loves most—in whole new ways. The truth is, Logan’s genome has been hacked. And there’s a reason he’s been targeted for this upgrade. A reason that goes back decades to the darkest part of his past, and a horrific family legacy. Worse still, what’s happening to him is just the first step in a much larger plan, one that will inflict the same changes on humanity at large—at a terrifying cost. Because of his new abilities, Logan’s the one person in the world capable of stopping what’s been set in motion. But to have a chance at winning this war, he’ll have to become something other than himself. Maybe even something other than human. And even as he’s fighting, he can’t help wondering: what if humanity’s only hope for a future really does lie in engineering our own evolution? Intimate in scale yet epic in scope, Upgrade is an intricately plotted, lightning-fast tale that charts one man’s thrilling transformation, even as it asks us to ponder the limits of our humanity—and our boundless potential.

That Boy Jillian Dodd, 2011-05-11 You know, being friends with two cute boys does have its benefits. There's Danny. Danny is a golden boy in every way. He has dreamy blue eyes and blonde hair that always looks perfect, even when it's windblown or been stuck under a football helmet. He's the boy every girl crushes on. The boy I get into trouble with, the boy I fight with, the hot quarterback no girl can resist, not even me. Being with Danny is like being on an adventure. He has a bright, contagious smile and abs to die for. He's pretty much irresistible. Equally crush worthy is Phillip. Adorable, sweet Phillip, who I have known since birth. Phillip has dark hair, a perfect smile, brown eyes, and the sexiest voice I have ever heard. He's the boy I talk to every night before I go to sleep. The boy who rescues me, the boy who can read my mind, the boy who is always there for me, the boy who tries to keep me out of trouble, the boy who irritatingly keeps getting hotter, and whose strong arms always seem to find their way around me. And when he gives me that grin, I can never say no. One boy will give me my very first kiss. One boy will teach me to make out. One boy will take me to prom. And finally, one boy will ask me to marry him. They will both be my best friends. But only one of them will be the boy I fall in love with. Only one of them is that boy. Sea Wife Amity Gaige, 2021-03-02 A New York Times Notable Book of the Year “Brilliantly breathes life not only into the perils of living at sea, but also into the hidden dangers of domesticity, parenthood, and marriage. What a smart, swift, and thrilling novel.” —Lauren Groff, author of Florida Juliet is failing to juggle motherhood and her stalled-out dissertation on confessional poetry when her husband, Michael, informs her that he wants to leave his job and buy a sailboat. With their two kids—Sybil, age seven, and George, age two—Juliet and Michael set off for Panama, where their forty-four foot sailboat awaits them. The initial result is transformative; the marriage is given a gust of energy, Juliet emerges from her depression, and the children quickly embrace the joys of being at sea. The vast horizons and isolated islands offer Juliet and Michael reprieve — until they are tested by the unforeseen. A transporting novel about marriage, family and love in a time of unprecedented turmoil, Sea Wife is unforgettable in its power and astonishingly perceptive in its portrayal of optimism, disillusionment, and

survival.

I'm a Gay Wizard V.S. Santoni, 2019-10-29 You try magic once and it sticks to you like glitter glue . . . When Johnny and his best friend, Alison, pass their summer holidays dabbling in magic, they never expect it to have consequences. Sure, it'd be great if they could banish bullies or change their lives for the better, and what harm could come from lighting a few candles and chanting a few spells? When they cause an earthquake that shakes Chicago to its core, they draw the attention of the Marduk Institute, an age-old organization dedicated to fostering the talents of young wizards. Once there, Johnny and Alison are told they can never return to their previous lives, and must quickly adapt to a new world shimmering with monsters, fraternities, and cute boys like Hunter and Blake. But when they're pulled into an epic, supernatural fight that could cost them both their lives, Johnny and Alison find strength they never knew they had as they battle for love, acceptance, and their own happy ending—all with the help of a little magic.

The Protector David Morrell, 2011-10-28 The secret weapon developed by the man Cavanaugh is assigned to protect is like Kryptonite to the former Delta Force officer turned security guard--it multiplies the effects of adrenaline, a hormone associated with fear, so it incapacitates instead of energizing him. A lot of people want Daniel Prescott's secret, but Cavanaugh, who's felt the drug's effects, wants his antidote. When Prescott disappears after causing the death of the Global Protective Services team charged with keeping him alive, Cavanaugh and his wife Jamie go after him in a high-speed chase that traps them between government agents and foreign operatives each racing to find the scientist first and kill him before he can use his formula on them. Despite Prescott's double-dealing, and the bloody battle in a mountain redoubt that results in the deaths of his friends and colleagues, Cavanaugh knows the only way to banish the fear that may compromise his and Jamie's own safety is to track the elusive scientist to his last refuge. In this propulsive thriller, Morrell turns the tables so often that it's hard to separate the good guys from the bad ones, but that won't keep readers addicted to violence, treachery, and high-tech weaponry from staying with it to the last surprising chapter. "Spectacular action backed by the author's hands-on research . . . a horrifying climax . . . twists and turns . . . one of the best of the genre."—Associated Press "Everything [Morrell] writes has a you-are-there quality, and that, coupled with his ability to propel characters through a scene, makes reading him like attending a private screening."—Washington Post Book World "Impressive action . . . plenty of twists . . . most notable, though, is the advertised 'tradedcraft'—from clever ways to modify one's ammo and armor to the very best method of taking out a car you're chasing."—Publishers Weekly "The story accelerates to warp speed, hurtles to a stunning climax. A wonderfully entertaining action adventure."—Booklist

Things You Save in a Fire Katherine Center, 2019-08-13 **INDIE NEXT PICK FOR AUGUST** **AN AUGUST 2019 LIBRARYREADS SELECTION** **BOOK OF THE MONTH PICK FOR JULY** **AN AMAZON EDITOR'S PICK FOR AUGUST** "Center gives readers a sharp and witty exploration of love and forgiveness that is at once insightful, entertaining, and thoroughly addictive." — KIRKUS, STARRED REVIEW "An appealing heroine, a compelling love story, a tearjerking twist, and a thoroughly absorbing story. Another winner from Center." — BOOKLIST, STARRED REVIEW "A spirited, independent heroine meets a smoking-hot fireman in Center's smart romance... If you enjoyed 'The Kiss Quotient,' by Helen Hoang, read *Things You Save in a Fire*" — THE WASHINGTON POST From the New York Times bestselling author of *How to Walk Away* comes a stunning new novel about courage, hope, and learning to love against all odds. Cassie Hanwell was born for emergencies. As one of the only female firefighters in her Texas firehouse, she's seen her fair share of them, and she's a total pro at other people's tragedies. But when her estranged and ailing mother asks her to give up her whole life and move to Boston, Cassie suddenly has an emergency of her own. The tough, old-school Boston firehouse is as different from Cassie's old job as it could possibly be. Hazing, a lack of funding, and poor facilities mean that the firemen aren't exactly thrilled to have a lady on the crew—even one as competent and smart as Cassie. Except for the infatuation-inspiring rookie, who doesn't seem to mind having Cassie around. But she can't think about that. Because love is girly, and it's not her thing. And don't forget the advice her old captain gave her: Never date firefighters. Cassie can feel her resolve slipping...and it means risking it all—the only job she's ever loved, and the hero she's worked like hell to become. Katherine Center's *Things You Save in a Fire* is a heartfelt and healing tour-de-force about the strength of vulnerability, the nourishing magic of forgiveness, and the life-changing power of defining courage, at last, for yourself.

Natchez Burning Greg Iles, 2014-04-29 From #1 New York Times bestselling author Greg Iles comes the first novel in his *Natchez Burning* trilogy—which also includes *The Bone Tree* and the upcoming *Mississippi Blood*—an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage. Raised in the southern splendor of Natchez, Mississippi, Penn Cage learned all he knows of duty from his father, Dr. Tom Cage. But now the beloved family doctor has been accused of murdering the African American nurse with whom he worked in the dark days of the 1960s. Once a crusading

prosecutor, Penn is determined to save his father, but Tom, stubbornly invoking doctor-patient privilege, refuses even to speak in his own defense. Penn's quest for the truth sends him deep into his father's past, where a sexually charged secret lies. More chilling, this long-buried sin is only one thread in a conspiracy of greed and murder involving the vicious Double Eagles, an offshoot of the KKK controlled by some of the most powerful men in the state. Aided by a dedicated reporter privy to Natchez's oldest secrets and by his fiancée, Caitlin Masters, Penn uncovers a trail of corruption and brutality that places his family squarely in the Double Eagles' crosshairs.
