Jamie McDonald

Adventureman Jamie McDonald,2017-02-09 At the age of nine, Jamie's family feared he would never walk again.Twenty years later, he set off to run 5,000 miles coast to coast across Canada.When Jamie decides to repay the hospitals that saved his life as a child, he embarks on the biggest challenge of his life: running the equivalent of 200 marathons back-to-back, solo and unsupported, in –40 degree weather, surviving all kinds of injuries and traumas on the road and wearing through 13 pairs of trainers. And he does it all dressed as the superhero, the Flash.Though his journey was both mentally and physically exhausting, it was the astounding acts of kindness and hospitality he encountered along the way that kept him going. Whether they gave him a bed for the night, food for the journey, a donation to his charity or companionship and encouragement during the long days of running, Jamie soon came to realise that every person who helped him towards his goal was a superhero too.

Make Yourself a Little Bit Famous Penny Haslam,2019-11-05 In today’s noisy marketplace, it’s crucial you find ways to get noticed. But do you shy away from the spotlight for fear of feeling like an idiot or looking like a show-off? Do you see others out there, attracting the kind of attention you wish you could get? If so, you need to Make Yourself a Little Bit Famous! Jam-packed with stories, advice, case studies and encouragement, Penny shares pro-tips on: getting on TV and radio and acing your appearances, bossing it as a speaker and when you present to people, shining when you take part in or chair a panel discussion. If you want to be a best-kept secret, then step away from this book. But if you recognise the value of raising your profile for your business or career, then step up – because now is the right time for you to make yourself a little bit famous.

Success Intelligence Robert Holden,2009 ARE YOU LIVING A SUCCESSFUL LIFE? Do you have a vision? Do you enjoy your work? Are your relationships thriving? Success Intelligence examines how to enjoy real, soulful success while living in a manic, busy, and hyped-up world. Robert Holden is the creator of a unique program--called Success Intelligence--used worldwide by artists and writers, entrepreneurs and leaders, and also global companies and brands such as DOVE, the Body Shop, the BBC, and Virgin. This landmark book is an invaluable guide to genuine success and happiness.

Polar Bear Pirates Adrian Webster,2003 A fresh and innovative route to business and personal success - Polar Bear Pirates contains a whole new universe of characters and terminology that everyone will instantly recognize and relate to. Polar Bear Pirates, highly focused, successful, fun-loving people who truly believe in life before death, are on a quest to reach Fat City. But as we follow the fortunes of these highly motivated bears, we see how they must fight off some pretty ruthless and often highly elusive enemies - enemies who are determined to block their paths and shatter their dreams... Here's a brief sketch of just some of these treacherous characters... Sinkers...the bitter losers who, as disciples of the pear shape, despise anyone else's success and derive immense pleasure from torpedoing it... Head treads...those who block anyone coming up the success ladder; they are devoid of talent, having only got where they are through brown nosing, knife throwing and luck! Neg ferrets...the pessimistic warriors of doom with insatiable appetites for other people's problems... Molasses Man.. the sweet but slow, well-meaning people who are burdened by the beliefs of others... Bloaters...boasting, lazy, obnoxious and tediously egotistical reptilian saddos who are absolutely full of it! Written in the tradition of the bestselling, Who Moved My Cheese, Polar Bear Pirates is a uniquely entertaining and often hilarious look at business and personal development. A 'game book' of questions, answers, traps and signposts, this book delivers powerful, inspirational messages as it helps you to unravel a series of complex motivational issues on your journey to personal and professional success.

Negotiating Englishes and English-speaking Identities Jacqueline Aiello,2017-07-06 This book explores the effects of the global spread of English by reporting on a sequential explanatory mixed-methods study of the language attitudes, motivation and self-perceived English proficiency of youth in two Italian cities. Participant narratives highlight the far-reaching role that English plays on the performance and attainment of present and desired future selves, illustrate that English is understood not as singular but as plural and paradoxical, and reveal that English learners, who do not all accept the capital of ‘native’ speakers, utilize tactics to negotiate their position(s) with respect to their target language.? On the one hand, by narrowing in on a specific population and drawing extensively on interview exchanges, this work provides readers with a nuanced depiction of the identities, milieu and learning experiences of English language learners in Italy. On the other hand, this level of detailed analysis gives insight into the understandings, construction of meaning and negotiations of language learners who need and want to acquire English, the global language, worldwide. Indeed, the issues and questions that are raised in this book, such as those concerning research approaches and the definitions assigned to key concepts, have profound implications on the research of English(es) today and can inform future directions in global English teaching.

The Path Made Clear Oprah Winfrey,2019-03-26 Everyone has a purpose. And, according to Oprah Winfrey, “Your real job in life is to figure out as soon as possible what that is, who you are meant to be, and begin to honor your calling in the best way possible.” That journey starts right here. In her latest book, The Path Made Clear, Oprah shares what she sees as a guide for activating your deepest vision of yourself, offering the framework for creating not just a life of success, but one of significance. The book’s ten chapters are organized to help you recognize the important milestones along the road to self-discovery, laying out what you really need in order to achieve personal contentment, and what life’s detours are there to teach us. Oprah opens each chapter by sharing her own key lessons and the personal stories that helped set the course for her best life. She then brings together wisdom and insights from luminaries in a wide array of fields, inspiring readers to consider what they’re meant to do in the world and how to pursue it with passion and focus. Renowned figures such as Eckhart Tolle, Brene Brown, Lin-Manuel Miranda, Elizabeth Gilbert, Jay-Z, and Ellen DeGeneres share the greatest lessons from their own journeys toward a life filled with purpose. Paired with over 100 awe-inspiring photographs to help illuminate the wisdom of these messages, The Path Made Clear provides readers with a beautiful resource for achieving a life lived in service of your calling – whatever it may be.

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Fitter for Life Ed Mayhew, 2005-07 Discover the Secrets of the Masters of Fitness: How a 54-year-old man who struggled to jog a single quarter mile got in good enough shape and summoned the energy to run 109 miles at the 24Hour Endurance Run National Championships ? at age 77. How a 40-year-old, full-time working mother with four young children made time to train as a 2-sport national champion ? all the while keeping her family priority one. How a lifelong heavy smoker and self-proclaimed couch potato in her forties transformed herself into an Ironman triathlete in her fifties. How a 59-year-old man just four and a half months removed from a near-fatal heart attack and double-bypass surgery was able to complete one of the most grueling races ever run. How a 64-year-old with a cholesterol reading of 385dl/mg, arrhythmia (an irregular heart beat) and no background in competitive swimming was able to turn herself into a World Champion age-group swimmer. How a woman crippled by arthritis was able to beat the disease without resorting to drugs. Why most weight-loss and exercise programs fail and how the Masters of Fitness avoided this common pitfall and how you can, too. Which foods, drinks, supplements and herbs played the greatest role in the amazing athletic feats of the Masters of Fitness. Think these thoughts and you will age slower, but think THESE thoughts and you'll age faster. How the Masters of Fitness get their bodies to release more youth-enhancing Human Growth Hormone (Hgh) naturally and how you can, too.

Richards, 2018-03-15 Through its up-to-date and comprehensive coverage of current perspectives, this volume aims to expand understanding of what it means to learn English as a second or additional language. The focus throughout the book is primarily on language learning, but each chapter also discusses the implications for teaching and assessment, thus informing both understanding and practice. The book is organised into nine sections, with 36 chapters presenting a wide and diverse range of accounts of the learning of English. Four major themes which permeate the chapters are: Learning and learners; learning and language; learning and language development; and learning and learning contexts--back cover.

Identity, Motivation, and Multilingual Education in Asian Contexts Mark Feng Teng, Wang Lixun, 2020-02-06 This book investigates how learners' motivations and identities are constructed in the process of learning and using multiple languages in Asian contexts. It presents examples of multilingual contexts in different parts of Asia and illustrates various achievements and challenges associated with multilingual education. Drawing on recent theoretical developments regarding learners' motivations and identities in language learning-related research, this book uncovers learners' motivations that underlie their decisions of learning multiple languages in Asian contexts. Through empirical studies, the authors offer conceptual interpretations on emerging concepts such as dual-motivation system, motivation dynamics, motivational transformation episodes, and hierarchies of identities. In addition to being highly relevant to researchers of applied linguistics, this book is a valuable reference for every university and college library that serves a faculty or school of education.

The Top Books of the Year British Motivational Speakers 4 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. British Motivational Speakers 4 : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. British Motivational Speakers 4 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
