**Shaking in the Shack** Dori Weinstein, 2013-04-01 Joel Silver (YoYo) loves to be a comedian and to play practical jokes. However, when he, his twin sister Ellie (YaYa) and the rest of their fifth-grade Hebrew school class find something surprising in the synagogue's sukkah just before the holiday of Sukkot, it's no laughing matter. Where did the mysterious four-legged visitor come from? What will become of it? Their unexpected adventure brings Joel and Ellie face to face with the importance of shelter and caring for those in need.

**O'Dwyer's Directory of Public Relations Firms** O'Dwyer Company staff, 2014-06-25 Listings of executives, staff members, accounts, branch offices and types of services offered by more than 1,500 PR firms throughout the U.S. It is the only printed directory of its type. The 2014 and 44th annual edition had 330 pages. It has exclusive ranking of 131 PR firms based on tax documents. There are also rankings of 12 PR special practices such as healthcare, tech and financial. Businesses looking for promotional help are among the main buyers since the PR collection of promotional services is far cheaper and often more effective than paid advertising. Two articles give advice on how to hire and get the best results from a PR firm. The emergence of social media has greatly increased the power of PR firms to reach target audiences. The Directory is a favorite tool of jobseekers. Descriptions of the various services provided by the PR firms makes this a prime educational tool for PR professors and students.

Rescue Board Rebecca Erbelding, 2019-03-12 Featured historian in the Ken Burns documentary *The U.S. and the Holocaust* on PBS • WINNER OF THE NATIONAL JEWISH BOOK AWARD • In this remarkable work of historical reclamation, Holocaust historian Rebecca Erbelding pieces together years of research and newly uncovered archival materials to tell the dramatic story of America's little-known efforts to save the Jews of Europe. "An invaluable addition to the literature of the Holocaust." —Andrew Nagorski, author of *The Nazi Hunters* and *Hitlerland* "Brilliantly brings to life the gripping, little-known story of [a] transformative moment in American history and the crusading young government lawyers who made it happen." —Lynne Olson, New York Times bestselling author of *Last Hope Island* For more than a decade, a harsh Congressional immigration policy kept most Jewish refugees out of America, even as Hitler and the Nazis closed in. In 1944, the United States finally acted. That year, Franklin D. Roosevelt created the War Refugee Board, and put a young Treasury lawyer named John Pehle in charge. Over the next twenty months, Pehle pulled together a team of D.C. pencil pushers, international relief workers, smugglers, diplomats, millionaires, and rabble-rousers to run operations across four continents and a dozen countries. Together, they tricked the Nazis, forged identity papers, maneuvered food and medicine into concentration camps, recruited spies, leaked news stories, laundered money, negotiated ransoms, and funneled millions of dollars into Europe. They bought weapons for the French Resistance and sliced red tape to allow Jewish refugees to escape to Palestine. "A landmark achievement, Rescue Board is the first history of the War Refugee Board. Meticulously researched and poignantly narrated, Rescue Board analyzes policies and practices while never losing sight of the human beings involved: the officials who sought to help and the victims in desperate need. Top-notch history: original and riveting." —Debórah Dwork, founding director of the Strassler Center for Holocaust and Genocide Studies, Clark University, and coauthor of *Flight from the Reich: Refugee Jews, 1933-1946*

New York City's Best Public High Schools Clara Hemphill, 2007-09 If you lived anywhere else in the country, you would probably send your child to your neighborhood high school. In New York City, it's much more complicated than that. But what parent has time to research hundreds of school options? To help you choose a high school that is just right for your child, Clara Hemphill and her colleagues at Insideschools visited nearly all of the city's 400 high schools. This essential revision of the critically acclaimed parents' guide features new school profiles; invaluable advice to help parents and students through the stressful admissions process; and new sections on alternative schools, vocational schools, and schools for students learning English. Featuring interviews with teachers, parents, and students, this guide uncovers the "inside scoop" about school atmosphere, homework, student stress, competition among students, the quality of teachers, gender issues, the condition of the building, class size, and much more. "For [this] third edition I looked for schools that spark students' curiosity, broaden their horizons, and help them develop into thoughtful, caring adults." —Clara Hemphill Praise for Clara Hemphill's Parents' Guides! New York Daily News... "Brisk, thoughtful profiles of topnotch, intriguing schools." Big Apple Parent... "Hemphill has done for schools what Zagat's did for restaurants." New York Magazine... "Thoughtful, well-researched...required reading." The New York Times... "A bible for urban parents."

The Rockefeller Family Gardens Larry Lederman, Cynthia Bronson Altman, Todd Forrest, Cassie Banning, 2017-04-25 Larry Lederman takes readers on a privileged photographic tour through the Rockefeller family gardens in the Hudson Valley and Maine. The Rockefeller family is synonymous with great wealth, extraordinary philanthropy, and exceptional stewardship of unspoiled landscapes. In their private world, the Rockefellers have created extraordinary gardens. Over the course of a century, their grounds have matured and evolved to reflect the layered visions of three generations of the Rockefeller family. At Kykuit in the Hudson Valley, John D. Rockefeller valued broad expanses of lawns with a noble forest of evergreens at the perimeter. His son—John D. Rockefeller Jr.—molded this landscape into a more formal Beaux-Arts garden design. This garden was later enhanced by Nelson A. Rockefeller's addition of an extensive collection of twentieth-century sculpture, which is still in place today. In *The Rockefeller Family Gardens*, photographer Larry Lederman gives readers unprecedented access to the two Kykuit gardens—the expansive Beaux-Arts-style garden and a little-known Japanese garden, brought to life by Governor Nelson A. Rockefeller. This book also takes readers inside the garden at Eyrie, the family summer retreat in Seal Harbor, Maine. There, Abby Aldrich Rockefeller collaborated with noted designer Beatrix Farrand to design a walled garden inspired by Asian aesthetics at the perimeter and filled with traditional perennials. Lederman's photographs capture the beauty of these gardens in all seasons, focusing on the geometry of the designs and the color and light that animates them. This tour through the spaces is accompanied by text from Todd Forrest of the New York Botanical Garden, Cassie Banning of the Abby Aldrich Rockefeller Garden, and Cynthia Bronson Altman of Kykuit to provide commentary on the design and plant materials featured in this captivating collection of photos.

**Sliding Into the New Year** Dori Weinstein, 2011 Thrill-loving fifth grader Ellie (YaYa) Silver has been waiting all summer to visit the brand new water park in town. She is super excited when her best friend, Megan, invites her to go--that is until her twin brother, Joel (YoYo), points out that Megan is going on Rosh Hashanah. Sure, Rosh Hashanah is a big deal, but so is Splash World! What will Ellie do?

Cinema of Outsiders Emanuel Levy, 1999-09-01 A Los Angeles Times Bestseller The most important development in American culture of the last two decades is the emergence of independent cinema as a viable alternative to Hollywood. Indeed, while Hollywood's studios devote much of their time and energy to churning out big-budget, star-studded event movies, a renegade independent cinema that challenges mainstream fare continues to flourish with strong critical support and loyal audiences. *Cinema of Outsiders* is the first and only comprehensive chronicle of contemporary independent movies from the late 1970s up to the present. From the hip, audacious early works of maverick David Lynch, Jim Jarmusch, and Spike Lee, to the contemporary Oscar-winning success of indie dynamos, such as the Coen brothers (*Fargo*), Quentin Tarentino (*Pulp Fiction*), and Billy Bob

Thornton (Sling Blade), Levy describes in a lucid and accessible manner the innovation and diversity of American indies in theme, sensibility, and style. Documenting the socio-economic, political and artistic forces that led to the rise of American independent film, *Cinema of Outsiders* depicts the pivotal role of indie guru Robert Redford and his Sundance Film Festival in creating a showcase for indies, the function of film schools in supplying talent, and the continuous tension between indies and Hollywood as two distinct industries with their own structure, finance, talent and audience. Levy describes the major cycles in the indie film movement: regional cinema, the New York school of film, African-American, Asian American, gay and lesbian, and movies made by women. Based on exhaustive research of over 1,000 movies made between 1977 and 1999, Levy evaluates some 200 quintessential indies, including *Choose Me*, *Stranger Than Paradise*, *Blood Simple*, *Blue Velvet*, *Desperately Seeking Susan*, *Slacker*, *Poison*, *Reservoir Dogs*, *Gas Food Lodging*, *Menace II Society*, *Clerks*, *In the Company of Men*, *Chasing Amy*, *The Apostle*, *The Opposite of Sex*, and *Happiness*. *Cinema of Outsiders* reveals the artistic and political impact of bold and provocative independent movies in displaying the cinema of outsiders-the cinema of the other America.

**The Existence of God** Stig Borsen Hansen,2010-09-22 This study breaks new ground on the question of the existence of God. It innovatively combines biblical scholarship with an analysis of existence drawn from the writings of the philosopher Gottlob Frege. It shows that the strength of Frege's approach is its emphasis on the notions of proper name and predicate; this in turn sheds new light on important elements of theological language. Finally, the Fregean approach in this book is defended against objections drawn from readings of Ludwig Wittgenstein's *Tractatus Logico-Philosophicus*.

**Directing Actors - 25th Anniversary Edition** Judith Weston Judith,2021-04-06 Directing film or television is a high-stakes occupation. It captures your full attention at every moment, calling on you to commit every resource and stretch yourself to the limit; it's the white-water rafting of entertainment jobs. But for many directors, the excitement they feel about a new project tightens into anxiety when it comes to working with actors. In the years since the original edition of *Directing Actors* was published, the technical side of filmmaking has become much more easily accessible. Directors tell me that dealing with actors is the last frontier--the scariest part and the part they long for--the human part, the place where connection happens. Weston's books help directors scale the heights of the actor-director dynamic, learn the joys of collaborating with actors--and become an actor's director.
