*The Recessionistas* Alexandra LeBenthal, 2014-08-20 A group of rich and powerful New Yorkers suddenly discovers that not even they are recession-proof when their perfect Upper East Side lives get turned upside down by the economic collapse.

*The Price of Illusion* Joan Juliet Buck, 2017-03-07 From Joan Juliet Buck, former editor-in-chief of Vogue Paris and "one of the most compelling personalities in the world of style" (New York Times) comes her dazzling, compulsively readable memoir: a fabulous account of four decades spent in the creative heart of London, New York, Los Angeles, and Paris—"If you loved *The Devil Wears Prada*, you'll adore *The Price of Illusion*" (Elle). In a book as rich and dramatic as the life she's led, Joan Juliet Buck takes us into the splendid illusions of film, fashion, and fame to reveal, in stunning, sensual prose, the truth behind the artifice. The only child of a volatile movie producer betrayed by his dreams, she became a magazine journalist at nineteen to reflect and record the high life she'd been brought up in, a choice that led her into a hall of mirrors where she was both magician and dupe. After a career writing for Vogue and Vanity Fair, she was named the first American woman to edit Vogue Paris. The vivid adventures of this thoughtful, incisive writer at the hub of dreams across two continents over fifty years are hilarious and heartbreaking. Including a spectacular cast of carefully observed legends, monsters, and stars (just look at the index!), this is the moving account of a remarkable woman's rocky passage through glamour and passion, filial duty and family madness, in search of her true self.

**"Our Crowd"** Stephen Birmingham, 2015-12-01 The #1 New York Times bestseller that traces the rise of the Guggenheims, the Goldmans, and other families from immigrant poverty to social prominence. They immigrated to America from Germany in the nineteenth century with names like

Loeb, Sachs, Seligman, Lehman, Guggenheim, and Goldman. From tenements on the Lower East Side to Park Avenue mansions, this handful of Jewish families turned small businesses into imposing enterprises and amassed spectacular fortunes. But despite possessing breathtaking wealth that rivaled the Astors and Rockefellers, they were barred by the gentile establishment from the lofty realm of “the 400,” a register of New York’s most elite, because of their religion and humble backgrounds. In response, they created their own elite “100,” a privileged society as opulent and exclusive as the one that had refused them entry. “Our Crowd” is the fascinating story of this rarefied society. Based on letters, documents, diary entries, and intimate personal remembrances of family lore by members of these most illustrious clans, it is an engrossing portrait of upper-class Jewish life over two centuries; a riveting story of the bankers, brokers, financiers, philanthropists, and business tycoons who started with nothing and turned their family names into American institutions.

The Rockefeller Family Gardens Larry Lederman, Cynthia Bronson Altman, Todd Forrest, Cassie Banning, 2017-04-25 Larry Lederman takes readers on a privileged photographic tour through the Rockefeller family gardens in the Hudson Valley and Maine. The Rockefeller family is synonymous with great wealth, extraordinary philanthropy, and exceptional stewardship of unspoiled landscapes. In their private world, the Rockefellers have created extraordinary gardens. Over the course of a century, their grounds have matured and evolved to reflect the layered visions of three generations of the Rockefeller family. At Kykuit in the Hudson Valley, John D. Rockefeller valued broad expanses of lawns with a noble forest of evergreens at the perimeter. His son—John D. Rockefeller Jr.—molded this landscape into a more formal Beaux-Arts garden design. This garden was later enhanced by Nelson A. Rockefeller’s addition of an extensive collection of twentieth-century sculpture, which is still in place today. In *The Rockefeller Family Gardens*, photographer Larry Lederman gives readers unprecedented access to the two Kykuit gardens—the expansive Beaux-Arts-style garden and a little-known Japanese garden, brought to life by Governor Nelson A. Rockefeller. This book also takes readers inside the garden at Eyrie, the family summer retreat in Seal Harbor, Maine. There, Abby Aldrich Rockefeller collaborated with noted designer Beatrix Farrand to design a walled garden inspired by Asian aesthetics at the perimeter and filled with traditional perennials. Lederman’s photographs capture the beauty of these gardens in all seasons, focusing on the geometry of the designs and the color and light that animates them. This tour through the spaces is accompanied by text from Todd Forrest of the New York Botanical Garden, Cassie Banning of the Abby Aldrich Rockefeller Garden, and Cynthia Bronson Altman of Kykuit to provide commentary on the design and plant materials featured in this captivating collection of photos.

**The Hirschfeld Century** Al Hirschfeld, 2015-07-07 I am down to a pencil, a pen, and a bottle of ink. I hope one day to eliminate the pencil. Al Hirschfeld redefined caricature and exemplified Broadway and Hollywood, enchanting generations with his mastery of line. His art appeared in every major publication during nine decades of the twentieth and twenty-first centuries, as well as on numerous book, record, and program covers; film posters and publicity art; and on fifteen U.S. postage stamps. Now, *The Hirschfeld Century* brings together for the first time the artist’s extraordinary eighty-two-year career, revealed in more than 360 of his iconic black-and-white and color drawings, illustrations, and photographs—his influences, his techniques, his evolution from his earliest works to his last drawings, and with a biographical text by David Leopold, Hirschfeld authority, who, as archivist to the artist, worked side by side with him and has spent more than twenty years documenting the artist’s extraordinary output. Here is Hirschfeld at age seventeen, working in the publicity department at Goldwyn Pictures (1920–1921), rising from errand boy to artist; his year at Universal (1921); and, beginning at age eighteen, art director at Selznick Pictures, headed by Louis Selznick (father of David O.) in New York. We see Hirschfeld, at age twenty-one, being influenced by the stylized drawings of Miguel Covarrubias, newly arrived from Mexico (they shared a studio on West Forty-Second Street), whose caricatures appeared in many of the most influential magazines, among them *Vanity Fair*. We see, as well, how Hirschfeld’s friendship with John Held Jr. (Held’s drawings literally created the look of the Jazz Age) was just as central as

Covarrubias to the young artist's development, how Held's thin line affected Hirschfeld's early caricatures. Here is the Hirschfeld century, from his early doodles on the backs of theater programs in 1926 that led to his work for the drama editors of the New York Herald Tribune (an association that lasted twenty years) to his receiving a telegram from The New York Times, in 1928, asking for a two-column drawing of Sir Harry Lauder, a Scottish vaudeville singing sensation making one of his (many) farewell tours, an assignment that began a collaboration with the Times that lasted seventy-five years, to Hirschfeld's theater caricatures, by age twenty-five, a drawing appearing every week in one of four different New York newspapers. Here, through Hirschfeld's pen, are Ethel Merman, Benny Goodman, Judy Garland, Mickey Rooney, Katharine Hepburn, the Marx Brothers, Barbra Streisand, Elia Kazan, Mick Jagger, Ella Fitzgerald, Laurence Olivier, Martha Graham, et al. . . . Among the productions featured: Fiddler on the Roof, West Side Story, Rent, Guys and Dolls, The Wizard of Oz (Hirschfeld drew five posters for the original release), Gone with the Wind, The Sopranos, and more. Here as well are his brilliant portraits of writers, politicians, and the like, among them Ernest Hemingway (a pal from 1920s Paris), Tom Wolfe, Charles de Gaulle, Nelson Mandela, Joseph Stalin, Winston Churchill, and every president from Franklin D. Roosevelt to Bill Clinton. Sumptuous and ambitious, a book that gives us, through images and text, a Hirschfeld portrait of an artist and his age.

**The Gorgeous Hussy** Samuel Hopkins Adams, 1934 An inkeeper's daughter, who has a close relationship with Andrew Jackson, scandalizes Washington. This novel, based on an actual historical personage, was made into a 1936 movie by the same name.

The German War Nicholas Stargardt, 2015-10-13 A groundbreaking history of what drove the Germans to fight -- and keep fighting -- for a lost cause in World War II In *The German War*, acclaimed historian Nicholas Stargardt draws on an extraordinary range of firsthand testimony -- personal diaries, court records, and military correspondence -- to explore how the German people experienced the Second World War. When war broke out in September 1939, it was deeply unpopular in Germany. Yet without the active participation and commitment of the German people, it could not have continued for almost six years. What, then, was the war the Germans thought they were fighting? How did the changing course of the conflict -- the victories of the Blitzkrieg, the first defeats in the east, the bombing of German cities -- alter their views and expectations? And when did Germans first realize they were fighting a genocidal war? Told from the perspective of those who lived through it -- soldiers, schoolteachers, and housewives; Nazis, Christians, and Jews -- this masterful historical narrative sheds fresh and disturbing light on the beliefs and fears of a people who embarked on and fought to the end a brutal war of conquest and genocide.
