*Battle for the Big Top* Les Standiford, 2021-06-15 "Les Standiford takes us under the big top and behind the curtain in this richly researched and thoroughly engaging narrative that captures all of the entrepreneurial intrigue and spirit of the American circus." —Gilbert King, Pulitzer Prize-winning author of *Devil in the Grove* Millions have sat under the "big top," watching as trapeze artists glide and clowns entertain, but few know the captivating stories behind the men whose creativity, ingenuity, and determination created one of our country's most beloved pastimes. In *Battle for the Big Top*, New York Times bestselling author Les Standiford brings to life a remarkable era when three circus kings—James Bailey, P. T. Barnum, and John Ringling—all vied for control of the vastly profitable and influential American Circus. Ultimately, the rivalry of these three men resulted in the creation of an institution that would surpass all intentions and, for 147 years, hold a nation spellbound. Filled with details of their ever-evolving showmanship, business acumen, and personal magnetism, this Ragtime-like narrative will delight and enchant circus-lovers and anyone fascinated by the American experience.

**People's History of Silicon Valley** Keith A Spencer, 2019-03-07 Regardless of where you live or work, Silicon Valley undoubtedly touches your life—the tech industry's gadgets and apps promise us more efficient, convenient, and fun lives. Yet despite Silicon Valley's utopian promises, more and more of us find ourselves addicted to our smartphones, made insecure by social media, gentrified away by tech wealth, and alarmed at social media companies profiting off personal data. This succinct guide follows Silicon Valley and the tech industry from the beginning of the twentieth century to the present day, tracing how Silicon Valley changed the San Francisco Bay Area, changed human culture, and ultimately changed the way we think about ourselves. From the first Macintosh to the rise of social media, *A Brief History of Silicon Valley* peels back the curtain on an industry that brands itself as visionary but which may be swiftly hurtling us towards dystopia.

*My Horizontal Life* Chelsea Handler, 2013-04-30 In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. *My Horizontal Life* chronicles her

romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. My Horizontal Life is one guilty pleasure you won't be ashamed to talk about in the morning.

Rivethead Ben Hamper, 2008-12-14 The man the Detroit Free Press calls a blue collar Tom Wolfe delivers a full-barreled blast of truth and gritty reality in Rivethead, a no-holds-barred journey through the belly of the American industrial beast.

**Stephen King - Dollar Baby: The Book** Anthony Northrup, Stephen King Dollar Baby: The Book by Anthony Northrup In the late 1970s, Stephen King had the idea of selling his short stories for ONE DOLLAR and a contract to let young filmmakers make their own films based on his works. After King's approval, these films were only available for viewing at film festivals around the world. For the last forty-plus years and over hundreds of films made, The Dollar Baby program has made a serious impact not only on the Stephen King world, but the film industry itself. Unfortunately, for Stephen King fans, unless you attended these film festivals, you basically would never be able to see them. In fact, most Stephen King fans have never even heard of the Dollar Baby program. Well, that's where I come in. I have been interviewing Dollar Baby filmmakers and reviewing their films for eight years. During that time, not only have I also hosted two Dollar Baby Film fests at Crypticon Horror Con in Minnesota, but I also built a trust, a bond, and a friendship with all of the Dollar Baby community. As a major Stephen King fan, I decided it was time to pull the curtain back and show the fans just what they have been missing. In this book, readers will learn all about the Dollar Baby program, fun facts, trivia, personal stories from the fans themselves, special guests contributors, essays, Where Are They Now?, 55 exclusive interviews with the Dollar Baby filmmakers and reviews of their films, and a whole lot more! I cover every possible angle of the Dollar Baby program and it's all here to enjoy! So, sit back, relax, and get ready to go behind the exclusive curtain and prepare yourselves to enter...Stephen King Dollar Baby: The Book!

So You Want to Be a Celebrity? Steve Allen, 2015-02-12 They say everyone today wants to be a celebrity. Certainly, we're all happy to watch them. From reality television and talent shows to tabloid splashes and gossip magazines, the road to modern fame is littered with the hopeful, the misguided, and, occasionally, the downright cynical. It's often a tale of rags to riches and then back to rags again. So why can't we stop looking? And who exactly buys the T-shirt, wears the perfume, visits the salon? In this witty and insightful tour of the underbelly of the celebrity world, LBC's Steve Allen takes us by the hand and leads us through the highs and lows of life as a modern-day 'sleb' - why they're there, and what we've all done to deserve this. Required reading for watchers and wannabes alike, this is your essential guide to one of the most bonkers aspects of modern Britain.

**Mostly Dead Things** Kristen Arnett, 2020-04-21 The celebrated New York Times Bestseller A Best Book of the Year pick at the New York Times, NPR, The New Yorker, TIME, Washington Post, Oprahmag.com, Thrillist, Shelf Awareness, Good Housekeeping and more. What does it take to come back to life? For Jessa-Lynn Morton, the question is not an abstract one. In the wake of her father's suicide, Jessa has stepped up to manage his failing taxidermy business while the rest of the Morton family crumbles. Her mother starts sneaking into the taxidermy shop to make provocative animal art, while her brother, Milo, withdraws. And Brynn, Milo's wife—and the only person

Jessa's ever been in love with—walks out without a word. It's not until the Mortons reach a tipping point that a string of unexpected incidents begins to open up surprising possibilities and second chances. But will they be enough to salvage this family, to help them find their way back to one another? Kristen Arnett's breakout bestseller is a darkly funny family portrait; a peculiar, bighearted look at love and loss and the ways we live through them together.

*This Was 2020* Peter S Conrad, 2021-01-02 Instead of sending holiday cards in December, I send a comic each January about my life during the previous year. It's usually about 16 pages and very private to friends and family. 2020 was different. A lot of things happened, and I ended up with a graphic novel about the year we all remember: quarantine, protest, turmoil, and some joy. Some of what happened to me is probably like what happened to you. Some of it is probably quite different. This is my story from 2020.

*The Walking Miracle* Bianca Brewton, 2021-03-02 The feeling of losing a sibling is unimaginable. This is why Bianca wrote *The Walking Miracle*. You will be able to feel the Love, Guilt, and Struggles of what Bianca felt trying to cope with the loss of her sister, Simone. This book speaks on the pain of losing a loved one. She wanted YOU to know that you weren't alone during your grieving process.

**The GC** Gemma Collins, 2018-06-28 For fans of *TOWIE*, *Celebrity Big Brother* and *Celebs Go Dating*, learn how you too can become a diva by the one and only Gemma Collins - one of the greatest gifts reality TV has ever given us. So girls, you alright darlings? By buying this book you will have taken the first steps into a world where everything is fabulous. Men will fall at your feet, riches will be bestowed on you, you will have the biggest, bounciest hair ever and you will get what you want, whatever that is. I'm a diva and I've earned my divaship through many years of hard work, hairdryers and broken hearts. In my book, I'll explore the main themes of the diva lifestyle: attitude, appearance, men and social media. You'll learn what it means to be a diva, how to look like one, how to act like one and how to live like one. At the end of it all, you will be a fabulous diva like me. You'll also learn some very juicy goss about me, my life, the men in my life, shock-induced urinary incontinence and some of the things I've done (including how I sustained an unsightly boob injury in front of Tom Daley while he was wearing a revealing pair of Speedos) (which could probably make a book on its own). So hold on to your extensions, because things are about to get interesting.
