The Video Games Guide Matt Fox,2013-01-03 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design--from the very earliest (1962's Spacewar) through the present day releases on the PlayStation 3, Xbox 360, Wii and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels and of course the author's views and insights into the game. In addition to the main entries and reviews, a full-color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include: a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

A Local Kid (Does Only O.K.) Ben L. Bassham,2012-06-15 A Local Kid (Does Only O.K.) is a witty and affectionate account of one boys growing up in Rogers, Arkansas in the late forties and the fifties in the days before malls, credit cards, and big-box stores when people shopped and found entertainment in what is now the historic town center. A 1960 graduate of Rogers High School, Bassham recalls his checkered employment history as a soda jerk, dishwasher, fry cook, carpenter, and sports reporter (at age 17) for the old Rogers Daily News. Begun as a family history for his two daughters, this remembrance of his home town in the years after World War II grew into something more: a collection of lessons learned at the Presbyterian church; of triumphs and (mostly) disappointments on the gridiron and the basketball court; his brief career as a clarinetist under the spell of local musical prodigy Maxie Gundlach; Bens love of the cars that graced dealers showrooms; his devotion to fifties television shows, and the many hours spent watching movies at the old Victory Theater. A cast of colorful local personalities comes alive in his portraits of town characters, its leading citizens (including Cactus Clark, Joe Bill Hackler, Rev. Robert Moser, Heston Juhre, and others), and the authors eccentric relatives. Junk food consumed, clubs joined and abandoned, favorite parking spots, old days at the Monte Ne Pyramids, and fun times on the White River in pre-Beaver Dam days are also lovingly recalled in this enjoyably off-beat autobiography.
