Gambling Games of the Old West G R Williamson,2021-01-11 Most of the gamblers of the Old West got their start and reputations by working the circuit of the Mississippi River boats, the railhead cattle towns of Kansas, or the boomtowns that popped up around gold or silver mining. The gunfighter Ben Thompson got his start by running the Bull's Head Saloon with partner Phil Coe in Ellsworth, Kansas. Ben's friend, Bat Masterson, also started his career in the cattle towns of Texas and Kansas. In general, these legendary gamblers were known as legitimate or that they played a fair game without cheating. Truth be told, all of them knew the methods employed by the sharps to clean the pockets of the other players at the table. They had to know these tricks in order to spot a cheater at their table. Did they ever use any of these advantages to increase their odds? Probably so, but the public's perception of these men was that they ran a square game. **Hip-Pocket History of the Old West (Series)** This compact book that gives concise accounts of odd or little-known facets of the American West. Historically accurate, but told in an easy-to-read format, with just a twist of humor. Informative, yet entertaining, the Hip-Pocket History series provides little nuggets without having to wade through a 400-page book of dry academic ostentatiousness.

Battleground USA Mark Haeuser,2000-03-24 In the year 2015, Russian, Cuban, and Mexican troops invade America in a joint effort to overcome the United States. The U.S. government was caught unaware and by the time the fighting was stabilized, the Federal troops maintained control of the Carolina's, Florida, Virginia, Washington DC, Louisiana, and Kentucky. The rest was enemy controlled territory. Out of this chaos many different people would arise to fight back and regain the America they once knew. In the midwestern state of Wisconsin, one group would rise to legendary status overcoming all obstacles as they battled the invading armies.....This is their story.

How to Talk Minnesotan Howard Mohr, 2013-05-28 A revised edition of the hilarious Minnesotan culture guide from a former writer for A Prairie Home Companion Fans of the Minnesota-set movie Fargo will love this uproarious culture guide to all-things Minnesotan. With his dry wit and distinctive voice, Howard Mohr won millions of fans across the country on Garrison Keillor's radio show A Prairie Home Companion. His popular commercials and ad spots, including one for "Minnesota Language Systems," became the best of the best of Minnesota humor. Now, Mohr has updated his classic guide, *How to Talk Minnesotan*, to advise visitors on the use of Twitter and Facebook, cell phone etiquette, and more while in the Land of 10,000 Lakes. "Ranging in flavor from satiric pungency to lunatic lusciousness, this is glorious, uproarious humor. Or as they say in Minnesota, 'a heckuva deal, you bet.'"—Booklist

The Paradox of Holiness; Faith in Search of Obedience Donald G. Bloesch, 2022-05-03 Within these pages are the last two previously unpublished works from notable American evangelical theologian, Donald G. Bloesch. In his spiritual autobiography, *Faith in Search of Obedience*, Bloesch describes the foundation upon which his own theology is based, namely, a faith in search of obedience. This honest and challenging work reveals and reminds how we are justified by faith alone, but that faith drives us to obey and delight in God's law as we strive to perfect love through the Gospel of Jesus Christ. *The Paradox of Holiness* presents the theology of spiritual life as it is shaped and defined by the Word of God. Through this theological exposition, Bloesch presents and explores the paradox that exists in the pursuit of holiness for those who believe. For the theologian, pastor or lay person who is seeking to combine Word and Spirit, doctrine and life, into an active theology, this two-in-one volume by Donald Bloesch provides an honest and sober account of the challenges that may arise throughout the Christian pilgrimage, while pointing toward the hope, encouragement and new life that comes through the triumph of Christ on the cross.

Mankato, Minnesota; Growing up in the '30s and '40s Clayton Lagerquist,2007-01-29 This book was written by me over a period of years from notes and recollections of a happy childhood. It was written mostly for my kids, grandkids and friends who shared these times. The time was unique and our generation was noted for our hard work, self-sufficiency and patriotism. We came right after the 'greatest generation' and stepped in at an early age to fill the gaps left by those that went to war. Hopefully you will find the book heartwarming and humorous. Clayton Lagerquist

Gudhemma Christine Paul,2001-11 Welcome to Gudhemma (God's home) in 1971, a central Minnesota town that was originally founded by Swedish Baptist immigrants. Meet Buddy Jenson, the fifty-one-year-old proprietor of the town's shame...the Gudhemma Saloon. Simple, honest, and the human embodiment of unconditional love, Buddy has lived his life burdened by feelings of unworthiness and a guilt that makes it far more difficult for him to accept such love than to give it. Shrewd and adventurous Serena Jenson inherited her grandfather Buddy's loveable, intuitive, and frank nature. She capitalizes on her circumstances by sheer audacity when she befriends the Baptist minister's two boys on the first day of school. Thus begins the rollicking ride of growing up, culminating in the realization that she loves Steve, the oldest of the brothers. But with that realization, she feels compelled to discover the secrets of her parentage. Steve Peterson shares Serena's spirit for adventure, but he is forever reconciling his actions to the behavior expected of the minister's son. His heaviest moment of introspection arrives when a parishioner is suspected of foul play, and Steve thinks that the entire situation could've been circumvented if he'd told his father what he'd witnessed a year earlier.

Barefoot Boy with Cheek Max Shulman,2016-01-19 A wild and witty satire of American college life from the author of *The Many Loves of Dobie Gillis* On his first day of college, farm boy Asa Hearthrug enthusiastically jumps out of bed—and discovers that his pajama pants are caught in the bedsprings. He learns that his dog has died, and his father, in an effort to soften the blow, tells an absurd story about a female bullfighter. Next, the freshman pays a visit to his high school sweetheart to say a heartfelt goodbye, but Lodestone La Toole is more interested in hamburgers than vows of devotion. And when Asa finally arrives at the University of Minnesota—wham!—he gets run over by a frat boy's convertible. Max Shulman's bestselling debut novel, written when he was almost as fresh-faced as his protagonist, delightfully skewers every sacred cow of collegiate life. From the faculty expert on "Merrie Olde England" who once spent two weeks on that distant land to the sidewalk booby-trap used by the Alpha Cholera fraternity to round-up reluctant pledges, *Barefoot Boy with Cheek* bursts at the seams with outrageous characters, delirious set pieces, and gut-busting one-liners.

Quality of Life and Well-Being for Residents in Long-Term Care Communities Jennifer L. Johs-Artisensi, Kevin E. Hansen,2022-06-06 This book explores key factors long-term care recipients have identified as impacting their quality of life and offers programmatic and policy recommendations to enhance well-being within long-term care communities. Leadership and staff who work in nursing homes and other residential care communities serve as gatekeepers to resident well-being, often without recognizing how residents' quality of life is impacted by their decision-making. This book takes a life domain approach to build on research-based studies that document key drivers of care recipients' quality of life, including relationships, autonomy and respect, activities and meals, environment, and care. Using a framework that enhances understanding of resident quality of life, it outlines practical, programmatic, and policy suggestions for long-term care stakeholders, such as administrators, managers, front-line staff, family members, and policy-makers, whose directives and actions impact the lived experience of long-term care residents. As such, this book

serves as a roadmap for leaders and managers of long-term care communities, along with policymakers who regulate health and human services, to best structure care environments to maximize quality of life and well-being for long-term care recipients.
