*Diary of an Oxygen Thief* Anonymous,2016-05-23 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

The Wingmen Adam Lazarus,2023-08-22 The untold story of the unique fifty-year friendship between two American icons: John Glenn, the unassailable pioneer of space exploration and Ted Williams, indisputably the greatest hitter in baseball history. It was 1953, the Korean War in full throttle, when two men—already experts in their fields—crossed the fabled 38th Parallel into Communist airspace aboard matching Panther jets. John Glenn was an ambitious operations officer with fifty-nine World War II combat missions under his belt. His wingman was Ted Williams, the two-time American League Triple Crown winner who, at the pinnacle of his career, was inexplicably recalled to active service in the United States Marine Corps. Together, the affable flier and the notoriously tempestuous left fielder soared into North Korea, creating a death-defying bond. Although, over the next half century, their contrasting lives were challenged by exhilarating highs and devastating lows, that bond would endure. Through unpublished letters, unit diaries, declassified military records, manuscripts, and new and illuminating interviews, *The Wingmen* reveals an epic and intimate portrait of two heroes—larger-than-life and yet ineffably human, ordinary men who accomplished the extraordinary. At its heart, this was a conflicted friendship that found commonality in mutual respect—throughout the perils of war, sports dominance, scientific innovation, cutthroat national politics, the burden of celebrity, and the meaning of bravery. Now, author Adam Lazaraus sheds light on a largely forgotten chapter in these legends' lives—as singular individuals, inspiring patriots, and eventually, however improbable, profoundly close friends.

*Funny Women* Mary Unterbrink,1987 Contains a series of sketches of the careers of about 80 performers from vaudeville, radio, nightclub, stage, television, and film. Most of the old favorites are here (Sophie Tucker, Fanny Brice, Mae West, Bea Lillie), as well as more recent stars (Lucille Ball, Carol Burnett, Mary Tyler Moore, Joan Rivers, Lily Tomlin, Bette Midler, Goldie Hawn), but the most original contribution is the final chapter, devoted to Rising Stars (Geri Jewell, Elayne Boosler, Diane Nichols, Whoopi Goldberg, and 18 others).

**The Encyclopaedia Britannica: Index** ,1911 The last great work of the age of reason, the final instance when all human knowledge could be presented with a single point of view ... Unabashed optimism, and unabashed racism, pervades many entries in the 11th, and provide its defining characteristics ... Despite its occasional ugliness, the reputation of the 11th persists today because of the staggering depth of knowledge contained with its volumes. It is especially strong in its biographical entries. These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten - except by the historians, scholars-- The Guardian, <https://www.theguardian.com/books/booksblog/2012/apr/10/encyclopedia-britannica-11th-edition>.

Hazel's Little Bud Zach Cooley,2012-06-16 Born with cerebral palsy, Zach Cooley tells the story of his life with bits of historical information on the town of Austinville, Virginia intermingled throughout his work, which was also home to Hazel Stoots, his great-great aunt who served as the family matriarch despite having no children of her own, thanks to her undying sense of family. Hazel was also well-known as a worker for the local recreation center for more than 25 years, making her a popular citizen of the community. Later, to Zach, she was the center of his world. Her passing nearly led him down a destructive path. It would be years before he

would find his purpose in life through a young woman named Emily, who would become the love of his life. In HAZEL'S LITTLE BUD, an autobiographical account with historical flavor, discover his story, which pays tribute to these two women and the community, which holds a history he is driven to protect.

**The White Man's Guide to White Male Writers of the Western Canon** Dana Schwartz,Jason Adam Katzenstein,2019-11-05 How do you use ‘taraddidle’ in a sentence? Is it possible to make a Gin Ricky that’s also a metaphor for the American Dream? How can you tell your Faulkner from your Franzen if you haven’t actually read either? Allow me, the @GuyInYourMFA, to expound on the most important (aka white male) writers of western literature. You’ve probably seen me around, observing the masses, or defying the wind by hand-rolling a cigarette outside a local, fair-trade coffeeshop. I’ve actually read Infinite Jest 9 1/2 times. Care to discuss? From Shakespeare's greatest mystery (how could a working-class man without access to an MFA program be so prolific?) to the true meaning of Kafkaesque (you know you've made it when you have an adjective named for you), the pages herewith are at once profound and practical. Use my ingenious Venn diagram to test your knowledge of which Jonathan—Franzen, Lethem, or Safran Foer—hates Twitter and lives in Brooklyn. (Trick question: all 3!) Sneer at chick-lit and drink Mojitos like Hemingway (not like middle-aged divorcées!). So instead of politely nodding along next time you make an acquaintance at a housewarming party in Brooklyn, you can roll up your sleeves and get to work schooling them in character arcs and the experimental form of your next great American novel. Dazzle your friends with how well you understand post-modernism. You’ll be at a literary event asking a question “that’s really more of a comment” in no time.

**Nipped in the Bud** Stuart Palmer,2013-05-14 A comedian is dead, a witness is missing, and only Miss Withers can set things right In comedy, timing is everything. If Tony Fagan were a better comic, perhaps he would’ve known when to keep his mouth shut. After weeks of jokes at the expense of businessman Winston H. “Junior” Gault, the sponsor of Fagan’s television show, Fagan is found with his head bashed in, and Gault is charged with the murder. The case seems open and shut, but Gault has the money to buy himself an acquittal. The only witness against him is Ina Kell—a small-town dreamer who came to New York to find fame—and she’s disappeared. It’s up to Hildegard Withers, a retired schoolteacher with expertise in solving crime, to find the vanished witness. Ina may have come to New York seeking excitement, but she didn’t deserve to get caught in the line of fire. Nipped in the Bud is part of the Hildegard Withers Mysteries series, which also includes The Penguin Pool Murder and Murder on the Blackboard.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
