Why Are You Always On The Phone? Smart Skills With The Smartphone Generation Michelle Mei Ling Yeo, 2016-11-24 Why Are You Always on the Phone? SMART Skills with the Smartphone Generation is a revelation and an actual depiction of what goes on in the everyday lives of youth who are connected and are online most of the time either via their smartphone or their iPad. Many a time, parents of tweens and teenagers from the age of 10 onwards to 18, are curious and are even 'tearing their hair out'; frustrated with their child/children's obsession with texting and chatting online 24/7. The challenge then is how we can seek to understand the complexities and nuances of our youth and their connection in the 21st-century technologically driven globalized society. Unraveling this challenge, this book provides powerful insights into the lives of individuals as they grapple with the rise of being connected at any time at any place via their smartphone. Voices from parents, tweens and teens sharing their online experiences and opinions have been weaved and compiled into the text for an honest and interesting read for all. With stories and anecdotes, Why Are You Always on the Phone? serves to answer the questions 'Why are you always online?', 'What are you doing online?' and a list of queries that most parents, educators and even tweens and teenagers themselves seek to know and are curious about. It is hoped that by answering these, it will prompt deeper, more empathetic, and layered

connections between parents, tweens, teenagers and educators for more fulfilling parent-child and teacher-student relationships and thus highlight the importance of practising effective and safe uses of the smartphone and other devices.

Unbored Elizabeth Foy Larsen, Joshua Glenn, 2012-10-16 Unbored is the most original, entertaining, and instructive all-in-one book for kids ever published -jam-packed with information, ideas, and activities for children and their parents to share together. Vibrantly designed and illustrated, it's crammed with activities that are not only fun and doable, but get kids engaged in the wider world--and provides information to expand their worldviews, too, inspiring them to learn more. Right at the age where kids start to disappear into various screens, Unbored encourages them to use those tech skills in creative ways. Activities parents will remember from their childhoods are presented alongside bold new possibilities: science experiments, crafts and upcycling, board game hacking, code-cracking, geocaching, skateboard repair, yarn bombing, stop-action movie-making - plus tons of trivia, best-of lists, and forward-thinking ideas made accessible to kids. Unbored expertly walks the line between cool and constructive: parents will appreciate its wisdom and humor, its lessons in civic-mindedness and self-esteem, as well as its anti-perfectionist spirit. Kids will just think it's awesome--

Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this

game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.
