David Baud

Bunny vs. Monkey Jamie Smart, 2023-09-05 When Monkey is sent into space by a team of scientists, he thinks everything will be smooth sailing. But not everything goes according to plan, and soon Monkey's spaceship crash-lands in a forest, disrupting the peaceful atmosphere. Convinced that he has discovered a new world, power-mad (but mostly incompetent) Monkey claims the forest as his own and determines that all other animals must be banished, including his soon-to-be nemesis, Bunny. As Bunny gathers reinforcements and goes head-to-head with the gadget-obsessed Monkey, hilarious hijinks ensue. This hilarious middle-grade adventure is a graphic novel like no other. Jamie Smart's energetic, expressive cartooning and antic plots will take readers on a mind-bending screwball journey into the beating heart of wackiness itself. Colorful, dynamic, smart alecky, and with more twists and turns than you can count, the Bunny vs. Monkey books are the perfect read for humor-loving kids ages 8 to 12. *Bunny* Mona Awad, 2019-06-11 NATIONAL BESTSELLER Soon to be a major motion picture Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius! —Margaret Atwood, via Twitter A wild, audacious and ultimately unforgettable novel. —Michael Schaub, Los Angeles Times Awad is a stone-cold genius. —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl and Rouge We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we? Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort—a clique of unbearably twee rich girls who call each other Bunny, and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled Smut Salon, and

finds herself inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus Workshop where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, *Bunny* is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Bunny World Don Thompson, 2009-05 Graceful and Rosie Bunny are two delightful young daughters in a very special family in Bunny World. They love each other, and most of the time they play nicely together and share their toys. But just like sisters in the real world, sometimes they don't want to share, and sometimes they argue and blame and mistreat each other. Often, after one of those unhappy times Graceful dreamed of a very old lady who loved her and filled her heart with warmth. During one dream Graceful received a special gift. It helped remind her of the beautiful old lady and her loving lessons about kindness as the key to happiness. Graceful and Rosie had always been nice girls, but after the dreams and the special gift, the bunnies who knew them noticed a difference. They laughed more. They smiled more. They played nicely with other bunny friends and giggled with joy. Come spend time with the little bunnies. You'll have fun!

Back to the Basics Joseph Paul Henry, 2011-07-12

Have you been hurt by the church? Do you feel the word of God is being misrepresented? In *Back to the Basics: Its Gods Way or the Highway*, author Joseph Paul Henry seeks to provide hope to those who have been hurt by the church and show there is a side of the church that still loves your soul. By addressing thirty key topics affecting the church today, Henry suggests solutions to the problems facing contemporary Christianity. Through this discussion, he believes bridges to understanding can be built that will bring all followers of Christ together, fill the needs of all parishioners, and help people become saved to fulfill the legacy that Christ died for, while at the same time helping them to keep the faith in Gods plan. *Back to the Basics* communicates the importance of returning to the foundations of the church foundations that have been lost in the last thirty years. It provides a plan to refresh the church body memory and bring our lives back to the basics of faith.
