The Garden of Burning Sand Corban Addison,2014-05-06 The New York Times bestselling author John Hart raved that If you like stories of good people struggling to do right in the world's forgotten places, there is no one better suited than Corban Addison to take you on the ride of your life. In The Garden of Burning Sand, Addison, the bestselling author of A Walk Across the Sun, creates a powerful and poignant novel that takes the reader from the red light areas of Lusaka, Zambia, to the gilded chambers of the Washington, D.C. elite, to the splendor of Victoria Falls and Cape Town. Zoe Fleming, an accomplished young human rights attorney, has made a life for herself in Zambia, far from her estranged father--an American business mogul with presidential aspirations--and from the devastating betrayals of her past. When a young girl with Down syndrome is sexually assaulted in a Lusaka slum, Zoe joins Zambian police officer Joseph Kabuta in investigating the rape. Piecing together clues from the victim's past, they discover an unsettling connection between the girl--Kuyeya--and a powerful Zambian family who will stop at nothing to bury the truth. As they are drawn deeper into the complex web of characters behind this appalling crime, Zoe and Joseph forge a bond of trust and friendship that slowly transforms into love. Opposed on all sides, they find themselves caught in a dangerous clash between the forces of justice and power. To successfully prosecute Kuyeya's attacker and build a future with Joseph, Zoe must risk her life and her heart--and confront the dark past she thought she had left behind.

Burning Sand L. A. Ruggiero,2001-01-01 From the dimly-lit alleyways of Boston's North End to the sun-drenched beaches of Southern California, 'Burning Sand' is the action-packed, soul-awakening journey of a man who discovers who he is, only after forgetting who he thought he was...Orphaned at a young age, Michael Delaney had grown up the adopted son of a small-time crime family. Forced to learn their treacherous ways in order to survive, he never felt he belonged. Determined to give himself the life he could've had, he concocts a scheme to leave his life of crime behind him forever. But something goes terribly wrong. Michael's attempt at escape ends in a fiery disaster from which he is burned beyond recognition. He wakes up months later with a new face, a new identity, and no memory of his previous life. 'Burning Sand' follows Michael into his new life as pro Beach Volleyball champion Quinton Squid. As he struggles to live up to the dead man's legendary stature, Michael walks a tightrope of celebrity and trepidation. Coming to grips with his innermost demons, he strives to create a new self with which he can live, all the while unaware that the dark forces of his past are closing in behind him. His struggle brings him to a standoff from which there can be no turning back- the knowledge of what really happened to his parents, his true identity, and his very life hang in the balance. ?Absorbing, compulsively readable. A terrific synthesis of intrigue and finely-crafted sports action. It brings the reader into a subculture rarely if ever seen in fiction, in a way that's as entertaining as it is original. Exciting and heartfelt, quirky and compelling, it's the perfect beach book. I highly recommend it.?-Gene LaVanchy, FOX-TV NEWS (Boston)

The Burning Sand T. Schaeffer,2006-04-01 Throughout life, we all experience many different aspects of love. Each and every one of us is unique as an individual and not one soul is like another. Therefore, love symbolizes something different for each of us. Love, whether it be from a parent to a child, a close friend or a significant other, is very special. Love can bring joy and happiness, a tenderness we all, at one point or another, seem to crave. It is something to hold high and to cherish. Maybe that feeling of abutterfliesa consumes every part of your being, or maybe a steady grin remains on your face. It is such an amazing feeling, and love is one thing that in many ways carries this life that we all live. Yet love can also bring pain. A hurt that pierces deep into your soul. The Burning Sand is a collection of poetry relating to love and life in general. I hope to maybe reach someone through my writinga]maybe even touch their soul.

Burning Sand Bianca Ferrari,2020-02-24 Lui avrebbe dovuto pensare alla missione.Lei al suo matrimonio.Se ne fregarono entrambi. Iraq 2018.Sabbia, caldo, polvere da sparo.Il Navy SEAL Alexander Lewis sa di essere all'inferno. Eppure non ha paura. Determinato e ostile, non perde mai il controllo, e l'unica cosa che conta per lui è servire e proteggere. Di sicuro non perdere tempo per fare da autista all'ennesimo volontario ingenuo e impreparato, convinto di fare la differenza.Quello che Alexander non sa è che il chirurgo Richardson è una donna e non è né ingenua né impreparata. E gli darà del filo da torcere.Skyler Richardson ha un conto in sospeso con il karma: per questo è partita, lasciando la sua vita perfetta e il suo futuro sposo. L'Iraq non le fa paura, così come non la spaventa il soldato Lewis, gelido e scostante, capace solo di respingerla e giudicarla.Eppure, è ai suoi occhi d'acciaio che Skyler torna sempre. Per capirlo. Per capire se stessa.Il loro incontro è fiamme, sfida e orgoglio.Un uragano capace di cambiare forma ai loro desideri.In un paese arido e sofferente, le vite di Skyler e Alexander si sfiorano e collidono, si intrecciano e si strappano, in un turbine di eventi che ha la stessa ferocia della guerra e dell'odio.E, soprattutto, dell'amore. Brian Dright: Weatherman of Mystery Steve Lill,2018-01-30 Little does the world know that Brian Dright, the popular weatherman at Channel 57, is

also a secret agent working for the Super Legendary Earth Environment Team. (S.L.E.E.T.) Worrying intell has been intercepted and his commander, the news anchor Anne Finely, sends Brian to investigate snow in the Sahara desert. Turns out it's the work of Sahara Snow, evil agent of S.M.O.G. Even with the latest gear from the Channel 57 research lab, Brian is soon captured in the desert. He is interrogated by Sahara but makes a bargain with her which results in the whole operation relocating to the North Pole. Once there, Brian slips away from his dim guards and attempts to destroy Sahara's weather machine. She, however, is somewhat more alert and recaptures Brian before he can throw the self-destruct switch. Secured in an ice cell, Brian learns he is to be made into a trophy for the Head of S.M.O.G. He frees himself by melting the ice with his own red-hot rear after eating bowl after bowl of chilli. Brian tears through the base and faces Sahara. She is too busy melting the polar icecap to bother with Brian so she releases her monstrous mutant pet, Zawinul. Brian and Zawinul have a lovely deadly game of chase in the snow which leaves one of them a charred bundle of blackened fur and the other a very relieved weatherman. With no-one left to assist her, Sahara knows she must finish off the meddling meteorologist herself. In a final showdown amongst the ruins of the disintegrating secret base, Brian and Sahara both know that only one of them will walk (well, swim, probably) free. Who will it be? Coming soon: Brian Dright vs. Evvi Schauer Oh. That sort of gives the end of this one away, doesn't it. Sorry. Note: Between each chapter you'll find more about the ongoing conflict between S.L.E.E.T. and S.M.O.G. See if YOU can break the Wind Code!

Sand Queen Helen Benedict,2011-08-02 This novel of female friendship in the midst of war is “The Things They Carried for women in Iraq” (The Boston Globe). Nineteen-year-old Kate Brady joined the army to bring honor to her family and to the Middle East. Instead, she finds herself in a forgotten corner of the Iraq desert in 2003, guarding a makeshift American prison. There, Kate meets Naema Jassim, an Iraqi medical student whose father and little brother have been detained in the camp. Kate and Naema promise to help each other, but the war soon strains their intentions. Like any soldier, Kate must face the daily threats of combat duty, but as a woman, she is in equal danger from the predatory men in her unit. Naema suffers bombs, starvation, and the loss of her home and family. As the two women struggle to survive and hold on to the people they love, each comes to have a drastic and unforeseeable effect on the other's life. From the author of Wolf Season and The Lonely Soldier, and informed by numerous interviews with those who were there, Sand Queen is a “heartbreaking, vivid story of the particular difficulties of being not just a soldier, but a female soldier” (Bustle).
