Understanding The Complex Reality Of The School Bus Driver's Job Roman Blaise,2011-12-12 ROMAN BLAISE BLAISE “Understanding the Complex Reality of the SCHOOL BUS DRIVER’S JOB” is the testimony of a school bus driver named Roman Blaise. Throughout the school year, trying to please everyone and answer every question; screaming at the students for their safety on the bus, also smiling, playing and even dancing for them. When necessary, requiring order out of troublemakers, caution out of harassment of other drivers, fairness out of indifference. This book contains important tools of prevention, asks for more children’s understanding, talks about what Roman Blaise has seen and heard, raises various problems encountered by school bus drivers, laments the loss of a colleague. It also questions the system of things and is waiting for answers, forces drivers to learn to adapt to

students, raises the barrier of communication between immigrant drivers and students, and tests the driver's conscience. It ends the last school day with the tears of a black kindergartener who will miss forever the affection of his dear white female teacher. Everyone endowed with the passion to know, should reserve in his library a space for this fascinating book,

School Bus Wisdom Barry Dorshimer, 2012-01-30 The purpose of this book, SCHOOL BUS WISDOM, is to aid the new school bus driver as well as the seasoned school bus driver in keeping their attitude, skills, safety performance and their interaction with students positive, professional, and sharp. Every School Bus driver who transports a part of that precious cargo of 24 million students to and from schools across this vast nation every day, of each school year, will benefit from this book. This book has a massive audience: Every School District throughout this country, as well as the contractors who serve School Districts which do not operate their own School

Transportation. The audience also includes Parents and Guardians of students who ride a School Bus and the combination of material would be valuable information for the students themselves. Much of the information found in this book is not included in current school bus driving manuals or training materials. This is a collection of thoughts and ideas to help school bus drivers achieve positive results. This safety tool would make an excellent gift for all school bus drivers who qualify for a safety award at the end of the school year. Read a blog about the book through this link:

It's important to stay seated and wait until the driver tells the riders it's OKAY to get up. Riders need to stay quiet so they don't distract the driver.
