**80/20 Sales and Marketing** Perry Marshall,2013-08-13 Marketer Perry Marshall converts the widely known 80/20 principle into a master framework that multiplies the power of everything you do in sales and marketing and makes scary-accurate predictions. It's the ultimate secret to selling more while working less.Guided by famed marketing consultant and best-selling author Perry Marshall, sales and marketing professionals save 80 percent of their time and money by zeroing in on the right 20 percent of their market - then apply 80/202 and 80/203 to gain 10X, even 100X the success. With a powerful 80/20 software tool (online, included with the book), sellers and marketers uncover how to slash time-wasters; advertise to hyper-responsive buyers and avoid tire-kickers; gain coveted positions on search engines; differentiate themselves from competitors and gain esteem in their marketplace. With the included tools they'll see exactly how much money they're leaving on the table, and how to put it back in their pockets. Sellers will identify untapped markets, high-profit opportunities and incremental improvements, gaining time and greater profit potential. Supported by online tools from Marshall, including The 80/20 Power Curve, a tool that helps you see invisible money, and a Marketing DNA Test, a personal assessment that zeroes in on one's natural selling assets, this timeless guide promises to change the game for seasoned and novice marketers and sellers.

**Modern B2B Marketing** David Sweenor,Kalyan Ramanathan,2023-05-21 There are untold resources on marketing and its different functions—brand marketing, content marketing, social media marketing, and more. However, throughout our combined fifty years in the field, we have failed to find a digestible book for business-to-business (B2B) marketing grounded in day-to-day realities that explains how various marketing functions fit together. This book provides practical explanations, advice, tips, and best practices on how B2B marketing actually works. Modern B2B Marketing: A Practitioner's Guide for Marketing Excellence is designed for anyone who leads, works, or engages with marketing. It's for business leaders and chief marketing officers (CMOs) who want to learn how to sustain a high-performance marketing organization; for product managers and sales professionals who often work with marketing but don't understand how it all fits together; and for marketers early in their careers who want to understand how B2B software marketing works outside of a classroom setting. This book is not about marketing technology or a rehash of the Pragmatic Marketing Framework. It is a practitioner's guidebook for effective, modern B2B marketing. Centered around a new model for modern marketing, Modern B2B Marketing is built around the customer. It provides an integrated framework and approach to marketing, including downloadable templates that will help you improve performance in portfolio and product marketing, content marketing, demand generation, marketing operations, customer advocacy, and more. If you want to gain a competitive advantage in today's fast-paced digital world, this TinyTechGuide™ is for you! Remember, it's not the tech that's tiny, just the book!™
