Business22

J Elliott

Railway Age ,1938

Transportation Statistics Annual Report ,

Transportation Statistics Annual Report 1998 Wendell Fletcher,1999-07 Assesses the nation's transportation system and the state of transportation statistics. Brings together in one source information about how the transportation system is used, how well it works, its economic contributions and costs, and its unintended consequences for safety, energy import dependency, and the environment. Includes: transportation and the economy; transportation safety; transportation, energy, and the environment; the state of transportation statistics; long-distance travel in the U.S.; long-distance freight transportation; U.S./metric conversions and energy unit equivalents. Over 100 charts and tables.

Bus Policy Mc Bower,1995-04

Making Connections Margaret Walsh,2020-07-24 An examination of the varied paths of the American inter-city bus industry from its origins in the second decade of the 20th century to deregulation in 1982. This sector of transport has been much neglected by historians and this book seeks to uncover a range of useful and pertinent information to those who are interested in understanding entrepreneurial endeavours, patterns of mobility and consumer attitudes. It analyzes the development of the national industry, probes the growth of particular companies and investigates specific aspects of business behaviour. The work is presented as a series of focused essays which offer insights into such topics as regulation, marketing, gender patterns and intermodal competition. It draws on diverse archival materials, government surveys and findings, trade publications, interviews and photographs. A wide-ranging bibliographical essay offers a guide to available sources.

The Technology Management Handbook Richard C. Dorf,1998-07-27 If you are not already in a management position, chances are you soon will be. According to the Bureau of Statistics, the fastest growing areas of employment for engineers are in engineering/science management. With over 200 contributing authors, The Technology Management Handbook informs and assists the more than 1.5 million engineering managers in the practice of technical management. Written from the technical manager's perspective and written for technologists who are managers, The Technology Management Handbook presents in-depth information on the science and practice of management. Its comprehensive coverage encompasses the field of technology management, offering information on: Entrepreneurship Innovations Economics Marketing Product Development Manufacturing Finance Accounting Project Management Human Resources International Business

The Enduring Democracy Kenneth J. Dautrich,David A. Yalof,Christina E. Bejarano,2020-01-07 This textbook explains the ideas, institutions, and interests that form American government and politics through historical evolution and contemporary debates. It engages students with clear writing and informative visuals and provides a comprehensive overview of the American political

system. —Meena Bose, Hofstra University The Enduring Democracy examines the current state of American politics through the lenses of American history and the nation's changing demographics. This two-pronged approach encourages students to place current issues and controversies into historical perspective, and to think critically about how those issues and controversies are impacted by America's increasingly diverse population. By analyzing and understanding the influences of historical context and demographics, students can debate effectively with references, use historical outcomes to predict for the future, and create strong arguments based on what they know about fundamental changes in the political landscape. The highly anticipated Sixth Edition frames the 2016 general election and 2018 midterm elections from the perspective of what they mean to college students, so that they can see the relevance of American government in their daily lives. This title is accompanied by a complete teaching and learning package. Digital Option / Courseware SAGE Vantage is an intuitive digital platform that delivers this text's content and course materials in a learning experience that offers auto-graded assignments and interactive multimedia tools, all carefully designed to ignite student engagement and drive critical thinking. Built with you and your students in mind, it offers simple course set-up and enables students to better prepare for class. Assignable Video with Assessment Assignable video (available with SAGE Vantage) is tied to learning objectives and curated exclusively for this text to bring concepts to life.
