Calculator Proficiency Ronald Merchant, 1989-03-01 This text is meant to give (the reader) the ability to operate efficiently the most common high tech tool found in business today, a calculator.... This text assumes that the calculator is truly a learning tool, which along with a knowledge of basic mathematics, will help (the reader) solve complex real-life problems without becoming bogged down in time-consuming calculations.... The book's format allows (the reader) to work at (their) own pace.... This course will enable (the reader) to work with numbers and solve business problems, operate a 10-key calculator using touch control, use the special features found on most modern business desk calculators, use basic business math formulas. - Pref.
