Small Firms in Urban and Rural Locations James Curran, David J. Storey, 2016-07-15 When originally published in 1993 this book was one of the first to present a systematic comparison of small enterprises in both urban and rural areas in contemporary Britain. Key issues such as relative performance levels and the relevance of recent developments to the economy as a whole are discussed by well-known contributors.

Throughout, insights derived from dialogues with real entrepreneurs are provided. An international dimension is added with a comparative discussion of the problems of rurality suffered in many areas of North America and Europe, and the continuing effects of the recession of the late 80s and early 90s are also examined and important policy recommendations made.

Religion and Political Behavior in the United States Ted G. Jelen, 1989-06-26 The 1988 Election year, showcasing two ordained ministers seeking presidential nomination, made it apparent that religion is an important force on the U.S. political landscape. The result of such visible roles by religious elites raises many questions including the boundaries between the sacred and the secular, the size and importance of various politico/religious constituencies, and the effectiveness of religiously based elite-mass communications. In response, political scientists are devoting an increasing amount of time to studying the interaction of religion and politics. Taking the first step toward answering these questions, *Religion and American Political Behavior* is a collection of 15 articles written by prominent political scientists. Reflecting the current state of research the articles are diverse and eclectic. They are all written from a behavioral perspective and are based on a careful collection of empirical data. This collection contains a variety of substantive findings that will be of particular value to students and scholars in the social sciences, religion, and political science. The book is divided into three parts. The first part deals directly with the methodological difficulties of measuring religious phenomena. This section also serves as an introduction to students or scholars with little background in this field. The second part constituting the body of the work, confronts the question of how religion affects the political attitudes and beliefs of ordinary citizens. The final part is unique to this collection. Entitled *Elite Perspectives*, it consists of seven articles with a common theme: the impact of religion on the political behavior of elite members of society, including journalists, lobbyists, public officials, political contributors, and clergy.

Businessother31: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Businessother31 : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Businessother31 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
