**The Ultimate Dating System** Leonard Bustos, Leonardo Amorado, 2013-09-16 Most people tend to spend thousands of dollars marketing their homes or cars online, yet, if they're single, they won't take the time or effort to professionally market themselves. What's more important to your happiness? This system shows you how to increase your value in the Interpersonal Marketplace by optimizing your presentation, and using data and technology to market yourself like a famous celebrity. If you've been searching for the love of your life and you haven't yet found them, there are 7 main reasons why you probably haven't: 1. You haven't met the right person, and you'll know it when you do 2. You're very selective and you don't want to settle 3. You know or have met someone special but don't know how to connect" or make them want you 4. You haven't defined the type of person you want to be in your life 5. You have little or no opportunities to meet someone special 6. You're worried the older you get the more difficult it becomes. 7. All your efforts have been unsuccessful and frustrating for so long that you've almost given up. You're to the point where you're hardly making the effort anymore and you're hoping that someday if you're lucky, the love of your life may magically appear. What if I told you that you are about to discover the solution to all of these challenges? I'm going to show you a very logical and revolutionary approach to dating that will greatly increase your chances of quickly selecting and connecting with your perfect partner. I'm going to show you how to find them in the shortest time possible, using the latest innovations in internet technology, marketing and psychology. The incredible feeling of being in love is, without question, one of life's ultimate experiences, and the person you choose to be your partner is most likely the most important decision you will ever make in your life. If you're single and feel a void in your life, what's probably missing is life's most basic and primal instinct – having a true lover in all

of its shapes and forms. I'm proud to show you the most logical and scientific solution to finding and falling in love with a perfect partner, in the shortest time possible. What I am about to share with you is truly groundbreaking technology. CyberSystem Dating is a holistic and practical approach to matchmaking that uses data and coaching to perfect your presentation, then psychology and internet technology to maximize your marketing. CyberSystem Dating is the only video and software program in the world that shows you a step by step way to find the true love of your life by first preparing you, then marketing you like a multimillion dollar property to as many prospects as possible. It also shows you how to choose the ultimate prospect based upon data and the perfect partner prototype you've personally created in the software program. Although this e-book does not include the Audio/Video and software portion of the program, it does provide the basic information you need to market yourself like a famous celebrity. It also gives you access to the free online workshop where you can get free advice and coaching. This book and program will help you to scientifically and logically select the best possible match with the highest probability of success. And because of your ability to increase your value significantly in the dating marketplace - you'll have so many candidates to choose from - I'll show you how to select the best from the rest in my easy to follow software program. Be assured that the contents of this book will provide you with all the information you'll receive in the video but not the software program. When you combine your enhanced multimedia presentation with massive marketing on the internet, it's like **HIRING A TEAM OF PROFESSIONALS** TO help you find the love of your life. Imagine the quality of prospects you could have if you had the help of a: - **MAKEOVER ARTIST** - **MARKETING PROFESSIONAL** - **DATING ADVISER** - **BRANDING EXPERT** - **PHOTOGRAPHER** - **IMAGE CONSULTANT** - **PUBLICITY AGENT** - **TALENT SCOUT** All rolled into one very easy to follow video and software program. All you need to

do is click and watch the interactive videos, and enter your information in the software program as prompted.
