**Nick Bontis**

*E-Business Essentials* Nick Bontis, 2004-09-01 This special issue of QJEC marks the final instalment of the journal. The QJEC has had a long-standing history of international scholarship focused on the emerging field of electronic commerce with a broad, interdisciplinary approach. It has established the field's intellectual foundation with state-of-the-art research from business, computer science, engineering, law, psychology, and sociology. This particular issue focuses on an eclectic group of papers that are international in scope with authors from Canada, Australia, France, Germany, South Africa and Italy. The papers range in topics from valuing dot com companies, to mobile health and portals, to supply chain management.

### Embracing the Track of Term: An Mental Symphony within **Byteometer 151**

In some sort of consumed by screens and the ceaseless chatter of instantaneous conversation, the melodic elegance and psychological symphony created by the prepared term frequently fade into the back ground, eclipsed by the relentless sound and distractions that permeate our lives. But, nestled within the pages of **Byteometer 151** a charming literary treasure brimming with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this fascinating masterpiece conducts visitors on an emotional journey, skillfully unraveling the hidden tunes and profound impact resonating within each cautiously constructed phrase. Within the depths with this poignant examination, we can discover the book is central harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound

resonance that echoes in the depths of readers souls.
