The Book of Yantras SWAMI RAM CHARRAN,2012-08-15 Yantra means instruments. Yantras are held in very high esteem in Hinduism and are used to ward off negative effects of planets, souls, etc. Yantra is a medium through which the

force of energy acts on an individual. Everyone of us is the center of something. That something is our universe. We can be the center of attention in a party or anywhere we are; we can consider ourselves as the center as everything surrounds each one of us. Depending of where you are your surroundings affects your well being in different ways. This is what a mathematical square or yantra does to your life. In this book Swami Ram Charran provides the effect of these squares on your life and desires.
