The Call of Cthulhu H. P. Lovecraft,2023-08-31 The Call of Cthulhu by H. P. Lovecraft is a short story by American writer H. P. Lovecraft. Written in the summer of 1926, it was first published in the pulp magazine *Weird Tales* in February 1928. Plot: The story consists of three interconnected parts, and is presented as notes belonging to Francis Thurston, a Boston resident investigating the ancient deity Cthulhu. The first part, *The Horror in Clay*, concerns a mysterious clay bas-relief depicting Cthulhu. Thurston finds the bas-relief among the belongings of his great-uncle Professor Angell. The bas-relief was created by sculptor Henry Wilcox in March 1925 while half-asleep. At the time Wilcox was haunted by mysterious visions of Cyclopean cities. Angell also discovered reports of local residents – primarily artists, sculptors, architects, and others of a sensitive psyche – experiencing similar nightmares during that period. The next morning, Wilcox was amazed by his creation and took it to Angell, who noted that the bas-relief was reminiscent of a figurine seized by police from members of a New Orleans religious sect in 1907. In the second chapter, *The Tale of Inspector Legrasse*, police officer John Legrasse reports at an archaeological society's symposium on his participation in a raid of a sect worshipping Cthulhu, from which the figurine was confiscated. The sect's actions were described as depraved and blasphemous. Local residents feared the sect's orgies, and claimed that human sacrifices were made at these orgies. A team of officers led by Legrasse arrived at the scene in search of several missing squatters. The police detained several sect members, but interrogation yielded little result, as the degraded and insane members stubbornly defended the truth of their cult. One sectarian, Old Castro, proclaimed that Cthulhu's time would come when the stars take a certain position. A phrase chanted by the sect turns out to have been previously used by a tribe of Eskimos, as revealed by one of the symposium's participants.
