**The Captain's Revenge** Jessica S. Taylor, 2023-04-18  
The price for vengeance must always be paid... No matter  
what. Caelum may have stopped his father, but in the  
process, he lost more than he'd ever planned. The syren  
who had slowly been winning his heart over was gone,  
taken by the very woman she once owed her life to, and  
Caelum was now wanted for his father's murder. In the  
chaos of the aftermath, Caelum must deal with his grief,  
and with the other syrens, who only seem determined to  
make his life more difficult as he searches for Brigid. Brigid  
is in agony. As if watching her best friend die in front of her  
wasn't enough, she'd been ripped beneath the waves and  
brought to pay penance to the goddess she'd once sworn  
fealty to. But the syren queen seems determined to never  
cease her torture, not until Brigid has paid for her sins in  
blood. Resigning herself that she will never see the man  
she'd given up everything for, Brigid retreats into herself.  
The only way to endure the wrath of the syren queen is to  
shut down and silently hope that someone would come for  
her. But Brigid knows better than to hope. And her body is  
quickly giving out. When whispers of a mysterious witch  
with the ability to grant any wish reach Caelum, he's willing  
to do whatever it takes to get Brigid back, including giving  
up that which he holds most dear. And so, the syrens and  
the crew set off on the dangerous journey to the south to  
find anything that will lead them to Brigid. But nothing

worth having ever comes easy, and neither Caelum or Brigid have ever backed down from a challenge. The Captain's Revenge is the thrilling conclusion to the slow-burn new adult fantasy romance duology, pulling you beneath the waves and into a Celtic mythology inspired world of do-good pirates, cunning syrens, and action-packed adventure that will keep you on the edge of your seat. Dive beneath the seas of Caladhan and discover your next romantic fantasy read! Read this completed duology today!

*Delphi Collected Works of Saint Jerome (Illustrated)*

Saint Jerome, 2022-05-22 The most learned of the Latin Fathers, Saint Jerome had an eventful life, spending time as a hermit, becoming a priest, serving as secretary to Pope Damasus I and later establishing a monastery at Bethlehem. His most ambitious achievement was his Latin translation of the Bible, the Vulgate, based on a Hebrew version, rather than the Septuagint. He believed that mainstream Rabbinical Judaism had rejected the Septuagint as invalid scriptural texts, due to Hellenistic mistranslations. Jerome's numerous biblical, ascetical, monastic and theological works went on to have a profound influence in the early Middle Ages. Delphi's Ancient Classics series provides eReaders with the wisdom of the ancient world, with both English translations and the original Latin texts.

This eBook presents Jerome's collected works, with illustrations, introductions and the usual Delphi bonus material. (Version 1) \* Beautifully illustrated with images relating to Jerome's life and works \* Features the collected works of Jerome, in both English translation and the original Latin \* The complete Vulgate, in both English translation (Douay-Rheims), Latin and a separate Dual text \* Excellent formatting of the texts \* Easily locate the sections you want to read with individual contents tables \* Includes Jerome's rare treatises \* Provides a special dual English and Latin text, allowing readers to compare the sections and verses paragraph by paragraph — ideal for students \* Features two bonus biographies \* Ordering of texts into chronological order and literary genres Please visit

Nach der Verurteilung von 1277 / After the Condemnation of 1277 Jan A. Aertsen,Kent Emery,Andreas Speer,2013-02-06 The series MISCELLANEA MEDIAEVALIA was founded by Paul Wilpert in 1962 and since then has presented research from the Thomas Institute of the University of Cologne. The cornerstone of the series is provided by the proceedings of the biennial Cologne Medieval Studies Conferences, which were established over 50 years ago by Josef Koch, the founding director of the Institute. The interdisciplinary nature of these conferences is reflected in the proceedings. The MISCELLANEA MEDIAEVALIA gather together papers from all disciplines represented in Medieval Studies - medieval history, philosophy, theology, together with art and literature, all contribute to an overall perspective of the Middle Ages.

*Martial: Liber Spectaculorum* Kathleen M. Coleman,2006-10-26 This book is the first full-scale edition of the so-called Liber spectaculorum by Martial. A comprehensive introduction addresses the role of epigram in commemorating monuments and occasions, the connection between spectacle and imperial panegyric in Martial's oeuvre, characteristics of the collection, possible circumstances of composition and 'publication',

transmission of the text, and related issues. Each epigram is followed by an apparatus criticus, an English translation, and a detailed commentary on linguistic, literary, and historical matters, adducing extensive evidence from epigraphy and art as well as literary sources. The book is accompanied by four concordances, five tables, two maps, 30 plates, and an appendix.

**Horace: Odes IV and Carmen Saeculare**

Horace, 2011-06-23 The Carmen Saeculare was composed and published in 17 BCE as Horace was returning to the genre of lyric which he had abandoned six years earlier; the fourth book of Odes is in part a response to this poem, the only commissioned poem we know from the period. The hardening of the political situation, with the Republic a thing of the past and the Augustan succession in the air, threw the problematic issue of praise into fresh relief, and at the same time provided an impulse towards the nostalgia represented by the poet's private world. Professor Thomas provides an introduction and commentary (the first full commentary in English since the nineteenth century) to each of the poems, exploring their status as separate lyric artefacts and their place in the larger web of the book. The

edition is intended primarily for upper-level undergraduates and graduate students, but is also important for scholars.

Adopting the Track of Phrase: An Psychological Symphony within **Caelum 10**

In some sort of eaten by monitors and the ceaseless chatter of fast communication, the melodic beauty and emotional symphony produced by the prepared word often diminish into the back ground, eclipsed by the constant sound and disruptions that permeate our lives. Nevertheless, situated within the pages of **Caelum 10** an enchanting literary value full of organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that charming masterpiece conducts visitors on a mental journey, skillfully unraveling the concealed melodies and profound impact resonating within each carefully crafted phrase. Within the depths with this moving analysis, we shall discover the book is key harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
