The Magic Cake Shop Meika Hashimoto,2011-10-25 Emma Burbles couldn't be more different from her parents if she tried. She'd rather dig for treasure in a park than try on the latest fashions or discuss her vain parents' favorite subject: themselves. When Emma mortifies her parents at a dinner party, her punishment is immediate. She must spend the summer with her Uncle Simon—a loathsome man with a huge appetite for food and get-rich-quick schemes. Although Emma's days revolve around cooking and cleaning, there is one bright spot. Her uncle's sweet tooth means she gets to visit the town bakery, Mr. Crackle's Cake Shop, all the time. This world-renowned baker is as charming and kind as Uncle Simon is vile. But then Emma discovers a plot by Uncle Simon and one of his shady acquaintances; they've set their sights on ruining Mr. Crackle (and the entire dessert making industry for that matter). Can Emma stop their evil plan? First-time author Meika Hashimoto's effervescent tale, filled with funny characters and adventures, will have readers checking their cupboards for mouth-watering ingredients and secret portals.

The Cost of My Faith Jack Phillips,2021-05-25 Master cake artist and a man of profound faith, Jack Phillips found himself in the middle of one of the highest-profile religious freedom cases of the century. In July 2012, two men came to Jack Phillips's shop requesting a custom wedding cake celebrating their same-sex marriage. In a brief exchange, Jack politely declined the request, explaining that he could not design cakes for same-sex weddings but offered to design cakes for other occasions and to sell them anything else in his shop. Little did Jack know that his quiet stand for his Christian convictions about marriage would become a battle for the right of all Americans to live out their faith. Now, Jack Phillips shares his harrowing experience for the first time in this powerful new memoir. The Cost of My Faith is Jack’s firsthand account from the frontlines of the battle with a culture that is making every effort to remove God from the public square and a government denying Bible-believing Christians the right to freely exercise their religious beliefs. Despite a Supreme Court victory in Masterpiece Cakeshop v. Colorado Civil Rights Commission, the fight to protect the right of Americans to freely exercise their beliefs is more critical than ever. The Cost of My Faith provides new insight into the case that shook the country and offers readers courage and inspiration to stand and live out their faith when facing their own battles.

The Cost of My Faith Jack Phillips,2021-05-25 Why Not Just Make the Cake? That’s a question countless people across the country started asking in 2012, when Jack Phillips told two men who walked into his Masterpiece Cakeshop that he couldn’t create a custom cake for their same-sex wedding. And the question only grew more urgent as Phillips had to defend himself first before the Colorado Civil Rights Commission and then numerous courts—losing at every step of the way until the U.S. Supreme Court ruled in his favor in June 2018. Why not just make the cake? Submitting would have been less frightening than facing relentless harassment and death threats. It would have been less costly than losing a major portion of his business when the state demanded that he design cakes for same-sex weddings or none at all. And it would have been easier than a decade of fighting for his rights—and his livelihood—in court, a fight he has been forced to continue even after his victory at the Supreme Court. But for Jack Phillips, there are deeper principles at stake—principles too precious to abandon for the sake of convenience and safety. These principles should be of concern to every American, including Jack’s adversaries. If the freedoms Jack has sought to protect are lost, they may never be regained. Why not just make the cake? In this inspiring book, Jack answers that question in his own words, hoping his story will inspire and strengthen the many who will encounter challenges, however fearsome, to living out their faith.
