The Complete Works of C. H. Spurgeon, Volume 50 Spurgeon, Charles H., Volume 50 Sermons 2864-2915 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.

The Flock Book of the Kent Or Romney Marsh Sheep Kent or Romney Marsh Sheep-Breeders' Association,1900

Family of Earth Wilma Dykeman,2016-09-02 Discovered as a typewritten manuscript only after her death in 2006, *Family of Earth* allows us to see into the young mind of author and Appalachian native Wilma Dykeman (1920–2006), who would become one of the American South's most prolific and storied writers. Focusing on her childhood in Buncombe County, Dykeman reveals a perceptive and sophisticated understanding of human nature, the environment, and social justice. And yet, for her words' remarkable polish, her voice still resonates as raw and vital. Against the backdrop of early twentieth-century life in Asheville, she chronicles the touching, at times harrowing, story of her family's fortunes, plotting their rise and fall in uncertain economic times and ending with her father's sudden death in 1934 when she was fourteen years old. Featuring a new foreword by fellow North Carolinian Robert Morgan, *Family of Earth* stands as a new major literary work by a groundbreaking author.

California Judges Benchbook ,2015-08-04 Fourth Amendment law and procedure has continued to receive the active attention of the courts and the state legislature in the 12 years since I wrote the first edition. Paradoxically, as the exclusionary rule has shrunk, the law has become more complicated. I have extensively reworked the book to discuss new developments and to make it more useful. Some topics, such as e-mail search warrant applications, are covered here for the first time. Discussion of other subjects, such as good faith, have been reorganized and expanded.Hon. George Brunn (retired) Unique insights and invaluable information from Hon. George Brunn (retired) bring clarity to this increasingly complicated area of the law.
