SuperBetter Jane McGonigal,2015-09-15 An innovative guide to living gamefully, based on the program that has already helped nearly half a million people achieve remarkable personal growth In 2009, internationally renowned game designer Jane McGonigal suffered a severe concussion. Unable to think clearly or work or even get out of bed, she became anxious and depressed, even suicidal. But rather than let herself sink further, she decided to get better by doing what she does best: she turned her recovery process into a resilience-building game. What started as a simple motivational exercise quickly became a set of rules for “post-traumatic growth” that she shared on her blog. These rules led to a digital game and a major research study with the National Institutes of Health. Today nearly half a million people have played SuperBetter to get stronger, happier, and healthier. But the life-changing ideas behind SuperBetter are much bigger than just one game. In this book, McGonigal reveals a decade’s worth of scientific research into the ways all games—including videogames, sports, and puzzles—change how we respond to stress, challenge, and pain. She explains how we can cultivate new powers of recovery and resilience in everyday life simply by adopting a more “gameful” mind-set. Being gameful means bringing the same psychological strengths we naturally display when we play games—such as optimism, creativity, courage, and determination—to real-world goals. Drawing on hundreds of studies, McGonigal shows that getting superbetter is as simple as tapping into the three core psychological strengths that games help you build: • Your ability to control your attention, and therefore your thoughts and feelings • Your power to turn anyone into a potential ally, and to strengthen your existing relationships • Your natural capacity to motivate yourself and super-charge your heroic qualities, like willpower, compassion, and determination SuperBetter contains nearly 100 playful challenges anyone can undertake in order to build these gameful strengths. It includes stories and data from people who have used the SuperBetter method to get stronger in the face of illness, injury, and other major setbacks, as well as to achieve goals like losing weight, running a marathon, and finding a new job. As inspiring as it is down to earth, and grounded in rigorous research, SuperBetter is a proven game plan for a better life. You’ll never say that something is “just a game” again.

**Tools of Titans** Timothy Ferriss,2017 Fitness, money, and wisdom--here are the tools. Over the last two years ... Tim Ferriss has collected the routines and tools of world-class performers around the globe. Now, the distilled notebook of tips and tricks that helped him double his income, flexibility, happiness, and more is available as Tools of Titans--Page 4 of cover.

**The Tetris Effect** Dan Ackerman,2016-09-06 The definitive story of a game so great, even the Cold War couldn't stop it Tetris is perhaps the most instantly recognizable, popular video game ever made. But how did an obscure Soviet programmer, working on frail, antiquated computers, create a product which has now earned nearly 1 billion in sales? How did a makeshift game turn into a worldwide sensation, which has been displayed at the Museum of Modern Art, inspired a big-budget sci-fi movie, and been played in outer space? A quiet but brilliant young man, Alexey Pajitnov had long nurtured a love for the obscure puzzle game pentominoes, and became obsessed with turning it into a computer game. Little did he know that the project that he labored on alone, hour after hour, would soon become the most addictive game ever made. In this fast-paced business story, reporter Dan Ackerman reveals how Tetris became one of the world's first viral hits, passed from player to player, eventually breaking through the Iron Curtain into the West. British, American, and Japanese moguls waged a bitter fight over the rights, sending their fixers racing around the globe to secure backroom deals, while a secretive Soviet organization named ELORG chased down the game's growing global profits. The Tetris Effect is an homage to both creator and creation, and a must-read for anyone who's ever played the game—which is to say everyone.

The Power of Play George Kesselman,2023-11-28 Level-up employee productivity, creativity, and inspiration at your workplace In The Power of Play: The Game Design Approach to Transforming Employee Engagement, the Managing Director for Willow Ventures —a global insurance innovation leader—George Kesselman, delivers a one-of-a-kind and exciting take on employee productivity and engagement. He dives deep into increasing divergence between work and how we approach motivation, and moving beyond the gamification of work, exploring the motivational and behavioural elements behind the “fun” kind of problem solving we find in games and showing you how to apply them to your workplace. In the book, you’ll discover how to apply the principles of game design to the professional environment so you can realize higher levels of motivation, productivity, and creativity from your teams. You’ll also find: Strategies to make your workplace more enjoyable and improve talent recruitment and retention Practical insights into tapping into your employees’ intrinsic motivations to create a more satisfying work experience Discussions of how to identify core motivations, combine them with clever design, and help your employees achieve “flow states” of extraordinary productivity Perfect for managers, executives, directors, entrepreneurs, founders, and other business leaders, The Power of Play is also a can’t-miss resource for human resources and other people professionals seeking effective strategies to retain, motivate, and inspire their team members.

*Technology and Adolescent Mental Health* Megan A. Moreno, Ana Radovic, 2018-03-01 This comprehensive book provides a framework for healthcare providers working with the dual challenges and opportunities presented by the intersection of mental health and technology. *Technology and Adolescent Mental Health* provides recent, evidence-based approaches that are applicable to clinical practice and adolescent care, with each chapter including a patient case illustrating key components of the chapter contents. Early chapters address the epidemiology of mental health, while the second section of the book deals with how both offline and online worlds affect mental health, presenting both positive and negative outcomes, and focusing on special populations of at-risk adolescents. The third section of the book focuses on technology uses for observation, diagnosis or screening for mental health conditions. The final section highlights promising future approaches to technology, and tools for improving intervention and treatment for mental health concerns and illnesses. This book will be a key resource for pediatricians, family physicians, internal medicine providers, adolescent medicine and psychiatry specialists, psychologists, social workers, as well as any other healthcare providers working with adolescents and mental health care.

*Encyclopedia of Video Games [3 volumes]* Mark J. P. Wolf, 2021-05-24 Now in its second edition, the *Encyclopedia of Video Games: The Culture, Technology, and Art of Gaming* is the definitive, go-to resource for anyone interested in the diverse and expanding video game industry. This three-volume encyclopedia covers all things video games, including the games themselves, the companies that make them, and the people who play them. Written by scholars who are exceptionally knowledgeable in the field of video game studies, it notes genres, institutions, important concepts, theoretical concerns, and more and is the most comprehensive encyclopedia of video games of its kind, covering video games throughout all periods of their existence and geographically around the world. This is the second edition of *Encyclopedia of Video Games: The Culture, Technology, and Art of Gaming*, originally published in 2012. All of the entries have been revised to accommodate changes in the industry, and an additional volume has been added to address the recent developments, advances, and changes that have occurred in this ever-evolving field. This set is a vital resource for scholars and video game aficionados alike.

*Digital Play Therapy* Jessica Stone, 2020-05-28 *Digital Play Therapy* focuses on the responsible integration of technology into play therapy. With a respect for the many different modalities and approaches under the play therapy umbrella, this book incorporates therapist fundamentals, play therapy tenets, and practical information for the responsible integration of digital tools into play therapy treatment. Written in a relatable manner, this book provides both the foundation and practical information for confident use of digital tools and brings play therapy, and therapy in general, forward into the 21st century. *Digital Play Therapy* provides a solid grounding both for clinicians who are brand new to the incorporation of digital tools as well as to those who have already begun to witness the powerful therapeutic dynamic of digital play therapy.

**Mästarnas metoder: Hälsa** Timothy Ferriss, 2017 Under de senaste två åren har Timothy Ferriss intervjuat fler än 200 personer som presterar på topp inom sina områden: allt från artister, atleter och militärer till forskare och vetenskapsmän. Vad är det som gör dem speciella och vad har de för knep för att alltid leverera i världsklass? Vad gör de under dagens första 60 minuter? Hur ser deras träningsrutiner ut, och varför? Vilka böcker ger de oftast bort till andra? Vilka är de största nybörjarfällorna inom deras respektive områden? Vilka kosttillskott tar de dagligen? Intervjuerna har gjort Timothy Ferriss podcast *The Tim Ferriss Show* till den första i sitt slag som laddats ner över 100 miljoner gånger och i den här boken har han samlat det allra bästa ur dem. *Mästarnas metoder* är en praktisk guidebok till hur du lyckas i livet, fullspäckad med konkreta tips från en lång rad av världens mest framgångsrika människor. »Den här boken har förändrat mitt liv och jag hoppas att den ska göra samma sak för dig.« Timothy Ferriss TIMOTHY FERRISS är en sensationellt framgångsrik entreprenör och bästsäljande författare.
