Stormy Weather Carl Hiaasen,2021-03-23 NATIONAL BESTSELLER • A hilarious and scathing novel from the author of Squeeze Me about a crazed and determined man who has devoted his strange existence to saving southern Florida from con artists and carpetbaggers after a hurricane hits. Hysterically funny.... Hiaasen at his satirical best. —USA Today When a ferocious hurricane rips through southern Florida, insurance fraudsters, amateur occultists, and ex-cons waste no time in swarming over the disaster area. And caught in the middle are Max and Bonnie Lamb, honeymooners who abandon their Disney World plans to witness the terrible devastation. But when Max vanishes, Bonnie, aided by a mysterious young man with a tranquilizer gun and a roomful of human skulls, has to follow her only clue: a runaway monkey.

Don't Go Back to where You Came from Tim Soutphommasane,2012 Offering an unflinching and informed defense of cultural diversity, this book boldly stakes a claim for the overwhelming success of multiculturalism in Australia. Arguing against European governments that declare multiculturalism a failure, it asserts that multicultural Australia has been a national success story. Creating a solid case for why multiculturalism works, it argues against those who believe a multicultural approach to integration and diversity is detrimental to society. This is a celebration of Australia’s cultural diversity.

Carolina Built Kianna Alexander,2022-02-22 This “exuberant celebration of Black women’s joy as well as their achievements” (Kate Quinn, New York Times bestselling author) novelizes the life of real estate magnate Josephine N. Leary in a previously untold story of passion, perseverance, and building a legacy after emancipation in North Carolina. Josephine N. Leary is determined to build a life of her own and a future for her family. When she moves to Edenton, North Carolina, from the plantation where she was born, she is free, newly married, and ready to follow her dreams. As the demands of life pull Josephine’s attention away, it becomes increasingly difficult for her to pursue her real estate aspirations. She finds herself immersed in deepening her marriage, mothering her daughters, and being a dutiful daughter and granddaughter. Still, she manages to teach herself to be a businesswoman, to manage her finances, and to make smart investments in the local real estate market. But with each passing year, it grows more and more difficult to focus on building her legacy from the ground up. “Filled with passion and perseverance, Josephine Leary is frankly a woman that everyone should know” (Sadeqa Johnson, author of Yellow Wife) and her story speaks to the part of us that dares to dream bigger, tear down whatever stands in our way, and build something better for the loved ones we leave behind.
