Mickey & Me Dan Gutman,2004-02-17 When Joe Stoshack's dad ends up in the hospital after a car accident, he has two words to say to his son: Mickey Mantle. For Stosh has a special power -- with a baseball card in hand, he can travel back in time. And his dad has a rare card -- Mantle's valuable 1951 rookie card. I've been thinking about it for a long time. Go back to 1951. You're the only one who can do it, Dad whispers. That night Stosh grips the card and prepares for another magical adventure. But when he opens his eyes, he's not in Yankee Stadium -- he's in Milwaukee on June 8, 1944. And how he wound up there is not half as surprising as what he finds!

Tarot Card Meanings Kevin Hunter,2016-11-16 Tarot Card Meanings is an

encyclopedia reference guide that takes the Tarot apprentice reader through each of the 78 Tarot Cards offering the potential general meanings and interpretations that could be applied when conducting a reading, whether it be spiritual, love, general, or work related questions. Many novices struggle with reading the Tarot as they want to know what a card can mean in their readings. They grow stuck staring at several cards sitting side by side having no idea what it could be telling them. The Tarot Card Meanings book can assist by pointing you in the general direction of where to look. It will not give you the ultimate answers and should not be taken verbatim, as that is up to you as the reader to come to that conclusion. The more you practice, read, and study the Tarot, then the better you become. Tarot Card Meanings avoids diving into the Tarot history, or card spreads and symbolism, but instead focuses solely on the potential meanings of a card in a reading. This is by giving you a structure to jump off of, but it is up to you to take that energy and add the additional layers to your reading, while trusting your higher self, intuition, instincts and Spirit team's guidance and messages. Author, Kevin Hunter, is a lifelong clairaudient and claircognizant who has written more than a dozen spiritually based empowerment books that have assisted readers around the world in improving their well-being, while also helping them become stronger conduits with Spirit, Heaven, and the Other Side. Anything included in the Tarot Card Meanings book is an overview and not intended to be gospel. It is merely one suggested version of the

potential meanings of each of the 78 Tarot cards in a reading. This is an easy to understand manual for the Tarot novice that is having trouble interpreting cards for themselves, or a Tarot reader who loves the craft and is looking for a refresher or another point of view. NOTE: The Tarot Card Meanings book does not include a Tarot deck.

Featuring black-and-white photographs and stats throughout, plus back matter separating fact from fiction, Willie & Me is the perfect mix of history and action for every young baseball fan. Stosh thought he was finished traveling back in time. But then Ralph Branca shows up in his room one night, begging for Stosh's help. In 1951, Branca pitched a ball to Bobby Thomson that would become the Shot Heard Round the World, a home run that won the National League pennant for the New York Giants and changed the lives of Branca and Thomson forever. Branca says the Giants were cheating, and he needs Stosh to use his power with baseball cards to go back in time and set things right. Stosh is determined to help, but he quickly learns that you can't change just one little thing in history. If he erases the Shot Heard Round the World, he may forever alter the life of a young rookie named Willie Mays. With wisdom from all the players he has helped before—plus the surprise return of some familiar faces—Stosh uses his power to travel in time using baseball cards one last time in a fabulous finale to the adventure of a

lifetime. Correlates to the Common Core State Standards in the English Language Arts
