It is fickle and elusive, but ultimately it is fair, and right, and just. -- Lou Krieger

Cribs for Winning at Video Poker Helen Capone,2013-06-21 Four years ago I started playing videopoker. As a lark I started to analyze hands and came up with my crib notes which I am sure help to get a winning hand. But unfortunately the machine has the last say. I studied the most common videopoker games but not all. My family felt I should include these in a book and so I have. I tried to put my knowledge on paper so it could be easily understood but I am not the best of writers. This book includes the best strategies for playing different poker hands for twenty -four video poker games.
