Fennel Hudson

Wild Carp Fennel Hudson, 2020-06-16 Fishing for wild, or feral, carp is about adventure, history, atmosphere and emotion. 'Wild Carp' captures this aplenty, describing traditional angler Fennel Hudson's 20-year quest to find a very special type of fish. It's also about nature connection and his desire to uncover the seemingly impossible - a place where we can discover and live out our dreams, to indulge the mantra of 'Stop - Unplug - Escape - Enjoy'.

Traditional Angling Fennel Hudson, 2017-07-23 Traditional Angling celebrates the ultimate form of pleasure fishing, where the angler relaxes at the waterside to become, as Izaak Walton would say, 'complete'. It wears its heart on its sleeve and a wildflower in its lapel. It's written for those who appreciate the aesthetics of angling and uphold its sporting traditions.

The Weight of this World David Joy, 2017 Critically acclaimed author David Joy, whose debut, *Where All Light Tends to Go*, was hailed as a savagely moving novel that will likely become an important addition to the great body of Southern literature (The Huffington Post), returns to the mountains of North Carolina with a powerful story about the inescapable weight of the past. A combat veteran returned from war, Thad Broom can't leave the hardened world of Afghanistan behind, nor can he forgive himself for what he saw there. His mother, April, is haunted by her own demons, a secret trauma she has carried for years. Between them is Aiden McCall, loyal to both but unable to hold them together. Connected by bonds of circumstance and duty, friendship and love, these three lives are blown apart when Aiden and Thad witness the accidental death of their drug dealer and a riot of dope and cash drops in their laps. On a meth-fueled journey to nowhere, they will either

find the grit to overcome the darkness or be consumed by it.

Simple Fly Fishing Yvon Chouinard, Craig Mathews, Mauro Mazzo, 2014-04-15 Modern-day fly fishing, like much in life, has become exceedingly complex, with high-tech gear, a confusing array of flies and terminal tackle, accompanied by high-priced fishing guides. This book reveals that the best

way to catch trout is simply, with a rod and a fly and not much else. The wisdom in this book comes from a simpler time, when the premise was: the more you know, the less you need. It teaches the reader how to discover where the fish are, at what depth, and what they are feeding on. Then it describes the techniques needed to present a fly at that depth, make it look lifelike, and hook the fish. With chapters on wet flies, nymphs, and dry flies, its authors employ both the tenkara rod as well as regular fly fishing gear to cover all the bases. Illustrated by renowned fish artist James Prosek, with inspiring photographs and stories throughout, Simple Fly Fishing reveals the secrets and the soul of this captivating sport.

1001 Fishing Tips Lamar Underwood, 2010-07-01 Ten percent of all anglers catch 90 percent of the fish taken. Revealed here in quick-read, info-laden nuggets of angling wisdom are the secrets and techniques that make the difference between success and failure. Fishing isn't just luck: it's know-how and timing, presenting the right bait and lure at the right places at the right time. Coverage focuses on the most popular freshwater game fish—including trout, bass, crappie, bluegills, walleye, catfish, salmon and pike—and saltwater favorites such as striped bass, bluefish, flounder,

redfish, weakfish and sea trout. The techniques presented are for rivers and streams, lakes and ponds, estuaries and inlets, bays, beaches, and off-shore hotspots. More fish, bigger fish, more fun—1001 Fishing Tips makes it happen.

When These Mountains Burn David Joy,2020-08-18 Winner of the 2020 Dashiell Hammett Award for Literary Excellence in Crime Writing Acclaimed author and remarkably gifted storyteller (The Charlotte Observer) David Joy returns with a fierce and tender tale of a father, an addict, a lawman, and the explosive events that come to unite them. When his addict son gets in deep with his dealer, it takes everything Raymond Mathis has to bail him out of trouble one last time. Frustrated by the slow pace and limitations of the law, Raymond decides to take matters into his own hands. After a workplace accident left him out of a job and in pain, Denny Rattler has spent years chasing his next high. He supports his habit through careful theft, following strict rules that keep him under the radar and out of jail. But when faced with opportunities too easy to resist, Denny makes two choices that change everything. For months, the DEA has been chasing the drug supply in the mountains to no avail, when a lead--just one word--sets one agent on a path

to crack the case wide open . . . but he'll need help from the most unexpected quarter. As chance brings together these men from different sides of a relentless epidemic, each may come to find that his opportunity for redemption lies with the others.

Kids Gone Fishin' Dave Maas,2001-03 No matter where you live, you'll find great fishing for some type of fish. It may be catfish or sunfish in a local farm pond, carp in a nearby river, or crappies and bass in the lake across town. The beginning of this book shows you where different fish types (called species) live. As you page through this chapter, check out the small colored maps to see which species live in your state. And look closely at the drawings of the fish so you can tell what you have landed. So what species do you think will be your favorite to catch? This book covers: · How do I make a fish bite? · Teaching kids proven methods of locating, catching, and handling a variety of species. · Is it a keeper? · What does my fish weigh?

How To Fish Chris Yates, 2012-04-03 The legendary British fisherman reflects on a year of contemplative observation, stirring memory, and good fishing in this delightful memoir. British journalist Chris Yates became an angling legend when he caught what was, in 1980, the biggest fish in English fishing history. *How to Fish* is Yate's unabashed, unashamed celebration of the joys of fishing—an activity he believes mankind was born to pursue. Written in prose that is both lyrical and accessible, the book is about contentment, calm and solitude, rivers and riverbanks, losing track of time and, of course, the fish themselves. For those who already enjoy fishing it is a love letter to their art and for those who don't—yet!—it is an insight into a life spent getting up at the crack of dawn and, armed with rod and line, heading for water.
