Flipped Wendelin Van Draanen, 2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." — The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." — SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." —Publishers Weekly, Starred review

Girl Scout Collectors' Guide Mary Degenhardt, Judith Kirsch, 2005 In more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a discerning look at the history and development of the Girl Scout Movement in the United States. Scholars and aficionados of Girl Scout history, costume history, women's studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters, calendars, and more--from the founding of the Girl Scouts in 1912 through the present day. An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the world's preeminent organization dedicated solely to girls. --Cynthia B. Thompson, chair, National Board of Directors, and Kathy Cloninger, national chief executive officer, GSUSA An indispensable reference for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the expansion of opportunities for American girls. Reading this book is like walking through a fine museum where material

culture brings the past to life. --Anastatia Sims, author of *Negotiating Boundaries of Southern Womanhood*

Sharks, Skates, and Rays William C. Hamlett, 1999-05-21 Successor to the classic work in shark studies, *The Elasmobranch Fishes* by John Franklin Daniel (first published 1922, revised 1928 and 1934), *Sharks, Skates, and Rays* provides a comprehensive and up-to-date overview of elasmobranch morphology. Coverage has been expanded from anatomy to include modern information on physiology and biochemistry. The new volume also provides equal treatment for skates and rays. The authors present general introductory material for the relative novice but also review the latest technical citations, making the book a valuable primary reference resource. More than 200 illustrations supplement the text.

Mice Skating Annie Silvestro, 2020-02-28 This mouse doesn't want to stay in the house . . . even if it's cold outside! For most field mice, winter means burrowing down and snuggling in. But not for Lucy! She loves snow crunching under her paws and wearing a fluffy wool hat. And most of all, Lucy loves to skate, and she's just ACHING to show off her new skill with her friends. After all, a winter wonderland is twice as nice when you have friends to enjoy it with. But the other mice just don't understand—and after a disastrous indoor snowball fight, it looks as if they never will. Can Lucy find a way to make the other mice come out and “mice skate” too? With intricately detailed illustrations as cozy as a

fireplace in December (and a cup of cocoa, too), this funny punny warmhearted love song to winter—and to one brave, bold, and generous mouse—will have kids bundling up for some cold-weather fun of their own.

The Thorn Birds Colleen McCullough,2010-05-11 One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. The Thorn Birds is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense

joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.
