Find Your Path Carrie Underwood,2020-03-03 Carrie Underwood's instant New York Times bestseller on honoring your body, fueling your soul, and getting strong—a great gift idea for fans of fitness and the megastar country singer. I want to be healthy and fit 52 weeks of the year, but that doesn't mean I have to be perfect every day. This philosophy is a year-round common-sense approach to health and fitness that involves doing your best most of the time—and by that I don't mean being naughty for three days and good for four. I mean doing your absolute best most of the time during every week, 52 weeks of the year.—Carrie Underwood Carrie Underwood believes that fitness is a lifelong journey. She wasn't born with the toned arms and strong legs that fans know her for. Like all of us, she has to work hard every day to look the way that she does! In FIND YOUR PATH she shares her secrets with readers, with the ultimate goal of being the strongest version of themselves, and looking as good as they feel. Carrie's book will share secrets for fitting diet and exercise into a packed routine—she's not only a multi-Platinum singer, she's a businesswoman and busy mom with two young children. Based on her own active lifestyle, diet, and workouts, FIND YOUR PATH is packed with meal plans, recipes, weekly workout programs, and guidelines for keeping a weekly food and workout journal. It also introduces readers to Carrie's signature Fit52 workout, which involves a deck of cards and exercises that can be done at home—and it sets her fans on a path to sustainable health and fitness for life. Fit52 begins with embracing the Pleasure Principle in eating, making healthy swaps in your favorite recipes, and embracing a long view approach to health—so that a cheat a day won't derail you. Throughout the book, Carrie shares her personal journey towards optimal health, from her passion for sports as a kid, to the pressure to look perfect and fit the mold as she launched her career after winning American Idol, to eventually discovering the importance of balance and the meaning of true health. For Carrie, being fit isn't about crash diets or a workout routine that you're going to dread. It's about healthy choices and simple meals that you can put together from the ingredients in your local grocery store, and making the time, every day, to move, to love your body, and to be the best version of yourself.

American Idol Richard Rushfield,2011-01-18 The currency is fame, and it's bigger than money, more desired than power. Each season American Idol delivers on a promise whose epic scope is unparalleled in the annals of competition: to take an unknown dreamer from the middle of America and turn him or her into a genuine star. It has become not only the biggest show on television, but the biggest force in all of entertainment; its alumni dominate the recording charts and Broadway, win Academy Awards, and sweep up Grammys. In fact, American Idol has reshaped the very idea of celebrity. But it didn't start out that way. When the little singing contest debuted as a summer replacement on the U.S. airwaves, it was packed between reruns and low-cost filler. The promise that it would find America's next pop star produced a hearty round of guffaws from the country's media critics. Now, some ten years and millions of records later, no one is laughing. American Idol: The Untold Story chronicles the triumphs and travails, the harrowing backstage drama and the nail-biting onstage battles that built this revolutionary show. In this revealing book, veteran journalist Richard Rushfield goes deeper inside the circus than any reporter ever has. Candid interviews with Idol alumni, including Simon Fuller and Simon Cowell, shed new light on the show that changed the entertainment industry. And because Rushfield had full access to the people who created the show, starred in it, and kept it atop the pop culture pyramid, this book is the first to take Americans behind the curtain and tell what has really been happening on the world's most watched and speculated-about stage.
