### **Financial Planning Basics for Doctors** Marshall Weintraub, Michael Merrill, Cole

Kimball, 2019-01-25 Financial Planning Basics for Doctors is a comprehensive guide on building a long-term financial plan for doctors and their families. Subjects covered include student loans, home buying, disability insurance, estate planning, college planning, retirement planning, investments, and behavioral finance, among many others. Each chapter starts with the basics before addressing more advanced concepts, frequently with examples and graphs, and concludes with a concise summary of the key takeaways. Throughout the book, there are links to free downloadable spreadsheets and a planning checklist to help you jump-start and organize your financial plan. The content provided is a result of the feedback the authors have received over thousands of meetings with doctors, condensed into a thorough overview of the most relevant ideas. Teaching hospitals do an excellent job of training our next generation of doctors, yet most new physicians graduate without having had a class on managing their finances. This book was written to fill that knowledge gap. Marshall Weintraub, Michael Merrill, and Cole Kimball are financial advisors with Finity Group, LLC, a financial planning firm specializing in working with doctors.

### **Financial Planning Handbook for Physicians and Advisors** David Edward Marcinko, 2005

Financial Planning for Physicians and Advisors describes a personal financial planning program to help doctors avoid the perils of harsh economic sacrifice. It outlines how to select a knowledgeable financial advisor and develop a comprehensive personal financial plan, and includes important sections on: insurance and risk management, asset diversification and modern portfolio construction, income tax and retirement planning, and succession and estate planning. When fully implemented with a professional's assistance, this book will help physicians and their financial advisors develop an effective long-term financial plan.

### **The White Coat Investor** James M. Dahle, 2014-01

Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations

allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

**Money Matters in Medicine** Jordan D. Frey, 2023-05-21 This book addresses both the philosophical and more tangible actionable components of attaining financial well-being as a medical professional. In an engaging, narrative-driven format, it relays the importance of managing one's finances—even with the high salary of a doctor. Money Matters in Medicine is an accessible, invaluable resource for early-career physicians who wish to incorporate intelligent money management skills in their development as medical professionals. Chapters include information on becoming financially literate, how to approach insurance, creating a savings rate, and the top mistakes most doctors make with their money. Though there are many financial self-help books in the market, this book stands out, as it rests on philosophies and core standards held by those in the medical community. It presents the strategies to promote financial well-being and ultimately help

doctors become more effective physicians with financial freedom. The book includes easy-to-understand guidelines and intuitive steps for readers to take massive action in their lives to improve their financial well-being.

**The Physician's Guide to Avoiding Financial Blunders** Kenneth W. Rudzinski, 2010 When was the last time you checked under the hood of your financial plan for life? From this very first question, author Kenneth W. Rudzinski draws you into an action-oriented examination of your complete financial plan, including retirement, investment, estate, asset protection, risk management, and more. The Physician's Guide to Avoiding Financial Blunders expands on Kenneth W. Rudzinski's popular financial and practice management column featured in world-renowned newspapers on ophthalmology, orthopedics, optometry, cardiology and infectious disease. Author Kenneth W. Rudzinski brings his thirty-five years of business and practice management experience directly to you in The Physician's Guide to Avoiding Financial Blunders. This is a dynamic book that provides practicing physicians at various stages of their careers and with varying personal financial means with the tips and tools to avoid the financial disasters that await most people who fail to check the details of their financial plan for life. Organized in a comprehensive and user-friendly format, physicians will embrace and appreciate the information being presented chapter by chapter in an effective point-by-point action plan that will advise what to do vs what not to do in their personal and professional planning. Some topics covered include: - Investing - common sense lessons on how to avoid the big mistake in investing - Retirement - your timeline to prepare for the longest vacation of your life? - Risk management - avoid the income disaster headed your way? - Asset protection - learn how to defeat predators and creditors before they defeat you - Estate planning - your estate documents may already be extinct - Financial planning - 10 common mistakes--which ones are you making? Appealing to a wide audience, young and old, with a conversational tone and with dozens of humorous anecdotes, all physicians will benefit from reading and applying the tips and advice presented inside The Physician's Guide to Avoiding Financial Blunders. You cannot read this book without finding something in your financial plan for life that needs immediate fixing. The impact is immediate. Be prepared to be challenged to action.

Practical Financial Management for Medical Groups: Financial planning and control Center for Research in Ambulatory Health Care Administration (U.S.),1979

The Family Practitioner's Survival Guide to the Business of Medicine Robert W. Katz,1998 This guidebook addresses the three major financial centers in every physician's life--the medical practice, the pension plan, and personal finances. Listing cases and examples, the author addresses these three interrelated financial centers in a two-phase process: how to conduct practice management review and then how to use this process to establish an ongoing system for successful total financial management. Plus, the second edition has new material on capitation, integrated delivery systems, mergers & acquisitions and practice valuation, pensions, and dealing with managed care companies.

## **Cash Doctors Budget Planner Introduction**

In todays digital age, the availability of Cash Doctors Budget Planner books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Cash Doctors Budget Planner books and manuals for download, along

with some popular platforms that offer these resources. One of the significant advantages of Cash Doctors Budget Planner books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Cash Doctors Budget Planner versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Cash Doctors Budget Planner books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical

for studying or referencing. When it comes to accessing Cash Doctors Budget Planner books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Cash Doctors Budget Planner books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Cash Doctors Budget Planner books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Cash Doctors Budget Planner books and manuals for download and embark on your journey of knowledge?
