To Catch a Witch Heather Blake, 2018-08-07 National bestselling author Heather Blake is back with wishcrafter Darcy Merriweather in her eighth magical Wishcraft mystery adventure. Wishcrafter Darcy Merriweather might be a witch with the ability to grant wishes for others, but wishing isn't going to help her catch a killer... When wishcrafter Darcy Merriweather's personal concierge company is hired by elite runner Abby Stillwell to organize the

Wicked Mad Dash, a competition that takes place in the Enchanted Village, Darcy is more than willing to help her friend. As blizzard conditions rage on the morning of the race, Darcy's main concern is the terrible weather—until Abby goes missing...and is later found dead, buried in the snow. As Darcy investigates her friend's untimely death, she learns that she didn't really know Abby well at all. And those closest to the woman—her secret fiancé, her roommate, her ex-boyfriend, and her co-workers at Balefire Sports—seem to have plenty to hide too. As Darcy digs deeper, she uncovers complicated relationships, a possible embezzlement scheme, and allegations of cheating against a top athlete. Just when Darcy is convinced she's hit a dead end in the case, a startling burglary and the hunt for Abby's elusive ex send Darcy down a dark, dangerous trail. It will take the help from friends, family, and a little bit of magic for Darcy to stop a stone-cold killer from striking again.

The Witch Next Door Norman Bridwell, 2013-06-25 Back in print! Norman Bridwell's funny and charming story about appreciating individual differences. Someone new has moved into the neighborhood--and she's a witch! Her two young neighbors delight in how she does everything a bit differently from them. She paints her house black, walks her pet dragon around the block, and uses magic to do her shopping and send soup over to people that are sick. However, some of the older townspeople are not happy about their new neighbor. What kind of magical surprise does the witch have in store for them?

Catching a Witch Heidi Eljarbo, 2017-08-01 "An enjoyable read, strong on its portrayal of witch-hunting . . . [and] the tensions between medicine and healing, religion and superstition." –Historical Novel Society The year 1660 is when it all changed . . . That's when a witch-hunter comes to Clara Dahl's seaside village in Norway. She's horrified to discover how fast her neighbors and friends are to turn against each other. She soon realizes her sleepy, little, picturesque corner of the world has been invaded by evil—and it has nothing to do with witchcraft. As neighbor turns against neighbor, Clara finds herself drawn into the fray, forced to do what she can to protect her friends and loved ones. An educated and upstanding minister's daughter, Clara

speaks out against the witch-hunter's unjust treatment of those accused of witchcraft. She sees how he plays the villagers, using their superstitions and religious beliefs to make good people accept horrible things. When Clara's best friend Bess is accused of being a witch, Clara must make an incredible sacrifice to save not only her friend, but the entire town—before it's too late. "For me, this story is much more about the strength and bond of female friendship, with the persecution of witches as a catalyst forcing them to band together." —Quiet Fury Books "This story really brings you back in time and pulls out so many emotions . . . Interesting and tragic." —What's Beyond Forks? Follow more of Clara Dahl's adventures in *Trailing the Hunter*!

Making Witches Barbara Rieti, 2008 There is a little-known tradition of witch lore in Newfoundland culture. Those believed to have the power to influence the fortunes of others are not mythological characters but neighbours, relations, or even friends. Drawing from her own interviews and a wealth of material from the Memorial University Folklore and Language Archive, Barbara Rieti explores the range and depth of Newfoundland witch tradition, looking at why certain people acquired reputations as witches, and

why others considered themselves bewitched. The tales that emerge - despite their seemingly fantastic elements of spells and black heart books, hags, and healing charms - concern everyday affairs and reveal the intense social interdependence central to outpost life. Frequently featuring women, they provide fascinating new perspectives on female coping strategies in a volatile economy. By addressing the perennial human issues at the heart of witchcraft - construction of enmity and intertwined fate - these narrative accounts also illuminate older witch beliefs revealed in witchcraft trial documents. *Making Witches* shows that in storytelling communities with a rich legacy of witch lore, witch tradition has endured well into the twentieth century.

Everyone Knows Your Mother Is a Witch Rivka Galchen, 2021-06-08 Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, *Everyone Knows Your Mother Is a Witch* is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill,

Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.

Which Witch is Which? Judi Barrett, 2001-09 Rhyming text and illustrations present an assortment of witches in silly situations.

Witch Catcher Mary Downing Hahn, 2006-07-24 When her widower father inherits a castlelike estate in the mountains of West Virginia, 12-year-old Jen is thrilled. It seems like a wish come true. But she quickly realizes that not all change is positive. Her dad has a mysterious new girlfriend, Moura, who slowly drives a wedge between Jen and her father. Furthermore, Moura has an unusually strong—almost obsessive—interest in the antiques that fill the mansion, especially a beautiful glass globe that Jen finds hanging in a window. When Jen's cat accidentally breaks the globe, which Moura calls a "witch catcher," strange things begin to happen. . . . An odd-looking girl wearing a torn dress appears, seemingly out of nowhere, and Moura's behavior becomes more sinister, leading Jen to believe that her father is a pawn in an evil scheme. Soon Jen finds herself caught in the midst of a supernatural war, with the fate of an enchanted race—and her family—at stake. Inspired by

the age-old legend of witch catchers, Mary Downing Hahn brings a magical cast of characters to life in this compelling fantasy adventure. Author's note.
