Celestia Manuele Fior, 2021-07-20 This highly anticipated new graphic novel from Manuele Fior (The Interview and 5,000 KM Per Second) showcases his singular talents as a once-in-a-generation visual artist and a deeply empathetic writer who uses science fiction to look to the future of humanity. The “Great Invasion” originated from the sea. It moved north across the mainland. Many fled, while some took refuge on a small concrete island called Celestia, built over a thousand years ago. Now cut off from the mainland, Celestia has become an outpost for criminals and other misfits, as well as a refuge for a group of young telepaths. Events push two of them, Dora and Pierrot, to flee the island and set sail to the mainland. There, they discover a world on the precipice of a metamorphosis, though also a world where adults are literally prisoners of their own fortresses, unintentionally preserving the “old world” at a time when a new generation could guide society towards a better humanity. Celestia is the most ambitious and successful graphic novel to date by one of the world’s most exciting storytellers.

Celestia Yumoyori Wilson, 2019-03-19 FOUR FULL LENGTH (906 pages) Novels of the Best Selling Unicorn Blessed Series Series. Follow Celestia's Journey as she aims to become the best Huntress at Aslan Academy. BOOK 1: What do you get when your father's a centaur and your mother's a powerful magician? A unicorn shifter... You'd think being the only known unicorn shifter in the world would have a few benefits. Like, people treating you kindly or getting special treatment from the council. Not in my case. I'd be lucky to get a piece of bread thrown at me. My name is Celestia Rainbow, and yes, my last name is fucking Rainbow. Shifters assume that I'm kind by nature, but trust me: I'm fierce, short-tempered and have the mouth of a sailor. Add in my stealthy fighting skills, advanced magic casting, and swift movement, I'm someone you wouldn't want to mess with. But everyone looks at my shifter side - my ditzy, peaceful half, sprinkling magic dust, and on a mission to end world hunger. Regardless of my dual personality, I've sworn to become a huntress at Aslan Academy. Now that I'm of age--my lucky twenty-fifth birthday just happens to coincide with the entrance exams--I'm ready to prove my worth. Too bad I'm grouped up with six sinful looking men. Time to prove to my community, classmates and this attractive bunch of weirdos that unicorns can kick ass too. BOOK 2: Not everything you see with your eyes is true, but magic can reveal all that's hidden. Celestia

Rainbow and her team of misfits thought they had seen it all. Alliances are made, but evil doesn't stop trying to bring Celestia down a darker path. Will Aslan's badass unicorn be destroyed by the darkness within? Or saved by the men who've sworn to protect and care for her?

BOOK 3: A magical discovery leads to a path of hope, but will the darkness be stronger than light? Celestia Rainbow never expected to find out the truth about her birth or the role she now plays in the crisis going on throughout the dimensions. Forsaken are getting stronger and are now attacking hunters and huntresses across the dimensions out of their desire for immense power. Celestia must now deal with learning how she can help while also balancing her classes at Aslan Academy and dealing with the tension that's growing within her team. With Theo returning home, Hunter dealing with his own issues, and Cairus and Caio feeling stuck on deciding whose side they're on, Celestia, Finn, and Orion are having to work overtime to try and bring Team Misfit back together. Now that they know the identity of the mysterious man from Celestia's dreams, it's time to fight darkness with light, with the help of new comrades, familiars, and a little sprinkle of glitter.
