*The Secret* Byron Preiss,2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the

twelve full color paintings and verses of The Secret. Yet The Secret is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. The Secret is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably Masquerade (1979) by British artist Kit Williams. Masquerade promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, The Secret: A Treasure Hunt was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

A marriage unravels after an illicit love affair is revealed through an errant cell phone message; a posh yet financially strapped interior designer meets a business partner who might prove too good to be true; an old-guard historian tries to recapture his youthful vigor with an ill-conceived idea for a TV miniseries; and a middle-aged central European immigrant learns to speak English and reinvents his life with the assistance of some new friends. Through a richly conceived and colorful cast of characters, Penelope Lively explores the powerful role of

**Memory Lands** Christine M. DeLucia, 2018-01-09 Noted historian Christine DeLucia offers a major reconsideration of the violent seventeenth-century conflict in northeastern America known as King Philip's War, providing an alternative to Pilgrim-centric narratives that have conventionally dominated the histories of colonial New England. DeLucia grounds her study of one of the most devastating conflicts between Native Americans and European settlers in early America in five specific places that were directly affected by the crisis, spanning the Northeast as well as the Atlantic world. She examines the war's effects on the everyday lives and collective mentalities of the region's diverse Native and Euro-American communities over the course of several centuries, focusing on persistent struggles over land and water, sovereignty, resistance, cultural memory, and intercultural interactions. An enlightening work that draws from oral traditions, archival traces, material and visual culture, archaeology, literature, and environmental studies, this study reassesses the nature and enduring legacies of a watershed historical

event.

themselves hoping family and friends can carry Grace through her most difficult moments.

*Eunice Eileen McNamara*, 2019-04-23 In this “revelation” of a biography (USA TODAY), a Pulitzer Prize-winning journalist examines the life and times of Eunice Kennedy Shriver, arguing she left behind the Kennedy family’s most profound political legacy. While Joe Kennedy was grooming his sons for the White House and the Senate, his Stanford-educated daughter, Eunice, was hijacking her father’s fortune and her brothers’ political power to engineer one of the great civil rights movements of our time on behalf of millions of children and adults with intellectual disabilities. Her compassion was born of rage: at the medical establishment that had no answers for her sister Rosemary, at her revered but dismissive father, whose vision for his family did not extend beyond his sons, and at a government that failed to deliver on America’s promise of equality. Now, in this “fascinating” (the Today show), “nuanced” (The Boston Globe) biography, “ace reporter and artful storyteller” (Pulitzer Prize-winning author Megan Marshall) Eileen McNamara finally brings Eunice Kennedy Shriver out from her brothers’ shadow. Granted access to never-before-seen private papers, including the scrapbooks Eunice kept as a schoolgirl in prewar London, McNamara paints an extraordinary portrait of a woman both ahead of her time and out of step with it: the visionary founder of Special Olympics, a devout Catholic in a secular age, and an officious, cigar-smoking, indefatigable woman whose impact on American society was

longer lasting than that of any of the Kennedy men.

*Monroe Township and Jamesburg* John D. Katerba, 2007 Within these pages, Monroe Township and Jamesburg in Middlesex County are uniquely displayed by juxtaposing rare vintage images with contemporary views taken by the author. These comparisons illustrates the commercial and residential growth over the last burgeoning decade.
