Blood, Sweat & Chrome Kyle Buchanan,2022-02-22 One of Entertainment Weekly's Best Books of 2022! New York Times journalist Kyle Buchanan details the bonkers construction of director George Miller's long-awaited and often seemingly-doomed fourth Mad Max movie via testimony from the filmmaker, Charlize Theron, Tom Hardy, and a host of others. The result is an epic and – when it comes to the Theron-Hardy on-set relationship – acrimonious tale no less jaw-dropping than the movie itself. – Entertainment Weekly A full-speed-ahead oral history of the nearly two-decade making of the cultural phenomenon Mad Max: Fury Road—with more than 130 new interviews with key members of the cast and crew, including Charlize Theron, Tom Hardy, and director George Miller, from the pop culture reporter for The New York Times, Kyle Buchanan. It won six Oscars and has been hailed as the greatest action film ever, but it is a miracle Mad Max: Fury Road ever made it to the screen... or that anybody survived the production. The story of this modern classic spanned nearly two decades of wild obstacles as visionary director George Miller tried to mount one of the most difficult shoots in Hollywood history. Production stalled several times, stars Tom Hardy and Charlize Theron clashed repeatedly in the brutal Namib Desert, and Miller's crew engineered death-defying action scenes that were among the most dangerous ever committed to film. Even accomplished Hollywood figures are flummoxed by the accomplishment: As the director Steven Soderbergh has said, "I don't understand how they're not still shooting that film, and I don't understand how hundreds of people aren't dead." Kyle Buchanan takes readers through every step of that moviemaking experience in vivid detail, from Fury Road's unexpected origins through its outlandish casting process to the big-studio battles that nearly mutilated a masterpiece. But he takes the deepest dive in reporting the astonishing facts behind a shoot so unconventional that the film's fantasy world began to bleed into the real lives of its cast and crew. As they fought and endured in a wasteland of their own, the only way forward was to have faith in their director's mad vision. But how could Miller persevere when almost everything seemed to be stacked against him? With hundreds of exclusive interviews and details about the making of Fury Road, readers will be left with one undeniable conclusion: There has never been a movie so drenched

in sweat, so forged by fire, and so epic in scope.

Johnny Depp Photo Album Christopher Heard,2020-11-09 The Johnny Depp Photo Album follows the unstoppable rise of its subject: through all the movies and the drunken bad-boy behaviour, the romantic affairs with actress Winona Ryder and supermodel Kate Moss, to his current peak in films like the Pirates of the Caribbean trilogy, Charlie and the Chocolate Factory and the box-office smash Alice in Wonderland. Featuring a wealth of film stills and candid shots away from the set, it also shows the other side of the screen icon: rejecting his former life of high-profile hellraising, Depp has chosen to live away from the madness of Hollywood and devote himself to his family. As this book sweetly illustrates, Johnny Depp has found the meaning of life itself in his relationships with his photogenic partner, French singing star Vanessa Paradis, and their children, who he aggressively shields from the media spotlight. This eyecatchingly designed tribute introduces us to the family man who also happens to be the greatest screen star on the planet.

The Hundred Thousand Kingdoms N. K. Jemisin,2010-02-25 After her mother's mysterious death, a young woman is summoned to the floating city of Sky in order to claim a royal inheritance she never knew existed in the first book in this award-winning fantasy trilogy from the NYT bestselling author of *The Fifth Season*. There, to her shock, Yeine is named an heiress to the king. But the throne of the Hundred Thousand Kingdoms is not easily won, and Yeine is thrust into a vicious power struggle with cousins she never knew she had. As she fights for her life, she draws ever closer to the secrets of her mother's death and her family's bloody history. With the fate of the world hanging in the balance, Yeine will learn how perilous it can be when love and hate -- and gods and mortals -- are bound inseparably together.

Class Action Clara Bingham,Laura Leedy Gansler,2003-10-14 The true story of Lois Jenson, a petite single mother, who was among the first women hired by a northern Minnesota iron mine in 1975. In this brutal workplace, female miners were relentlessly threatened with pornographic graffiti, denigrating language, stalking, and physical assaults. Terrified of losing their jobs, the women kept their problems largely to themselves—until Lois, devastated by the abuse, found the courage to file a complaint against the company in 1984. Despite all of the obstacles the legal system threw at them, Lois and her fellow plaintiffs enlisted the aid of a dedicated team of lawyers and ultimately prevailed.

Weaving personal stories with legal drama, *Class Action* shows how these terrifically brave women made history, although not without enormous personal cost. Told at a thriller's pace, this is the story of how one woman pioneered and won the first sexual harassment class action suit in the United States, a legal milestone that immeasurably improved working conditions for American women.

Dear Dawn Aileen Wuornos, 2012-06-26 The chilling autobiography of Aileen Wuornos, the notorious female serial killer who was the subject of an Investigation Discovery special and the Oscar-winning film starring Charlize Theron, *Monster* Between 1989 and 1990, Aileen Wuornos, a hitchhiking prostitute, shot, killed, and robbed seven men in remote Florida locations. Arrested in 1991, she was condemned to death on six separate counts and executed by lethal injection in 2002. An abused runaway who turned to prostitution to survive, Wuornos has become iconic of vengeful women who lash out at the nearest target. She has also become a touchstone for women's, prostitutes', and prisoners' rights advocates. Her story has inspired myriad books and articles, as well as the 2003 movie *Monster*, for which Charlize Theron won an Academy Award. But until now, Wuornos's uncensored voice has never been heard. *Dear Dawn* is Wuornos's autobiography, culled from her ten-year death row correspondence with beloved childhood friend Dawn Botkins. Authorized for publication by Wuornos and edited under the guidance of Botkins, the letters not only offer Wuornos's riveting reflections on the murders, legal battles, and media coverage, but go further, revealing her fears and obsessions, her rich humor and empathy, and her gradual disintegration as her execution approached. A candid life story told to a trusted friend, *Dear Dawn* is a compelling narrative, unwaveringly true to its source. "It is both empowering and heartbreaking, because Wuornos represents the fury of a wronged girl-gone-wild, whose rage was unleashed on men." —The Rumpus
