Soar! T. D. Jakes, 2017-10-10 Take your career to the next level, realize your greatest dreams, and embrace your God-given talents with this practical game plan for your professional and personal life. Too often we remain in jobs that stifle our souls and leave us on the runway of opportunity with the engine of our deepest passion stalled, watching others make their personal vision a reality and build a legacy for their children. But it's never too late to get your dreams off the ground -- God sees great things in your future! If you long to amplify your unique abilities, if you strive to balance personal fulfillment and professional satisfaction, if you dream of fulfilling God's destiny for you, then you are ready to Soar! In **Soar!** T.D. Jakes reveals how to transform your own unique vision into a powerful contribution to the world. Blending a CEO's practical business acumen with a life coach's dynamic inspiration, **Soar!** will stir your imagination into action, challenge you to embrace your God-given purpose, and align your character and creativity with your career. Bridging both the corporate and nonprofit worlds, **Soar!** is a practical and easy-to-follow flight plan for launching the entrepreneurial

drive inside of you. You'll learn how to adopt the mindset of people who don't wait to see what will happen but strategically build the wings that will take them to new heights. So buckle your seat belt and prepare for liftoff -- you have been cleared to fly beyond your fears, to absolutely soar!

Hairdressing: Level 3 Charlotte Church, Alison Read, 2013-05-29 For Level 3 Hairdressing students on NVQ, SVQ and VRQ courses. A genuinely new and innovative way for students to study hairdressing, this new textbook is supported with extensive multimedia material and activities at no extra cost. Some books include a few videos and basic materials, but this title comes with over 150 free online resources and activity screens with which to improve learning. Online questions are also included as well as links to other resources such as images, animations and videos. The elearning resources are included in every chapter to complement the textbook content and will help students from the start of their qualification until they pass their final exams.

America's Fastest Growing Churches Elmer L Towns, 2014-05-05 Here is the story of 10 churches in America that are growing at a very rapid pace. They are different in many respects: sections of the

country, age of congregation, age of pastor, and their approach to the task of growth. Author Towns has done a very fine job in elaborating these differences but the major contribution of the book may well be the strong emphasis on the ways in which they are alike. It is must reading for every pastor and church member who is depressed by declining attendance or lack of growth.

Charlotte's Web E. B. White, 2015-03-17 Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of Stuart Little and The Trumpet of the Swan, is a classic of children's literature that is just about perfect. Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the

acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, *Charlotte's Web* is a proven favorite.

Radical David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church

decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Lost and Wanted Nell Freudenberger,2020-03-31 NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FRESH AIR As a professor of physics at MIT, Helen Clapp disdains notions of the supernatural in favor of rational thought and proven ideas. So it's perhaps especially vexing when, on an otherwise unremarkable Wednesday in June, she gets a phone call from a friend who has just died. That friend was Charlotte Boyce, Helen's roommate at Harvard. The two women once confided in each other about everything: Helen's struggles as a young woman in science, Charlie's as a black screenwriter in Hollywood, their shared challenges as parents. But as the years passed, they gradually grew apart. And now Charlie is permanently, tragically gone. Drawn back into her friend's orbit, Helen is forced to question the laws of the universe that have always steadied

her mind and heart. Suspenseful, perceptive, deeply affecting, *Lost and Wanted* is a story of friends and lovers, lost and found, at the most defining moments of their lives.

Love Them Anyway Choco De Jesús, 2021-06-01 Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry

followers of God who are more interested in winning political arguments than loving people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, Love Them Anyway will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you—and your love will change lives. When you learn to Love Them Anyway, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.

Oral Interpretation Timothy Gura, Benjamin Powell, 2018-08-06 In its 13th Edition, the iconic Oral Interpretation continues to prepare students to analyze and perform literature through an accessible, step-by-step process. New selections join classic favorites, and chapters devoted to specific genres—narrative, poetry, group performance, and more—explore the unique challenges of each form. Now tighter and more focused than its predecessors, this edition highlights movements in contemporary culture—especially the contributions of social media to current communication. New writings offer advice and strategies for maximizing body and voice in performance, and enhanced devices guide novices in performance preparation.
